The Things People Think We Don't Do, We Really Do Do.

We suppose you can't really blame people for not realizing a true fact.

We're the best vintage car shop in town, so lots of people just assume we don't offer:

STREET CAR PREVENTIVE MAINTENANCE – Oil changes, lube, shocks, brakes, exhaust, front drive service – we do it all!

UPHOLSTERY – Choose from the same wide range of colors and styles you find anywhere.

BODY WORK – Our specialists have always been first class in aluminum body repair and fabrication. Surprise – we do steel and fiberglass, too!

PLUS -- We still offer the other quality design and fabrication services we've built our reputation on.

So if you take it to the street, take it to us – the car experts who really do do.

Thank You

My term as RE for the Kansas City Region has come to an end and I want to say thanks to everyone for a great 2 years.

It's been a busy time for our region. We have been in the national spotlight with the National Convention here and the Runoffs coming to Heartland Park. Add to that a thriving solo program, our other club events like the picnic, banquet, solo/road race challenge and throw in a rally and you have a year unlike any other. I don't think any other region has ever pulled all of this off in a single year. The people of our region should be very proud of their accomplishments the past couple of years, I know I have been extremely proud to represent our region.

I would also like to welcome new RE Dale Smith and the 2007 Board of Directors. I'm excited for our region, I think Dale will do a tremendous job and our new board has a great mix of people and personalities. 2007 will be a very good year.

Again, thanks to everyone in the Kansas City Region, you're the best.

Bill Johnson
Now Past RE

PS – Special thanks to Checkpoint editor Gini Ragan for her tireless efforts in producing our newsletter every month. Thanks Gini.

And with
Dale Smith

I guess this is the start of many letters I will be writing for our newsletter. This monthly task will give me the chance to compose my thoughts about what is going on in our Region. I hope that I'll be able to come up with fresh and interesting content each month.

It is the week before Christmas as I am writing this message. This is a busy time for most people and I am no exception. This is also the time of year when new people assume new positions and many plans are made for the upcoming year. Once again, the membership of our club has selected an outstanding group of people to lead them. Congratulations to all the new officers and board members. I'm looking forward to working with all of you. I also want to thank all of the people who had the courage and commitment to put their names on the ballot, but were not elected. Please don't think that you are unwanted or unappreciated. It's simply a case of too much talent, not enough positions. Rest assured that I can find a job for you.

That's all for now. It's time to start on my list of resolutions for the New Year and (oh, yeah!) get back to work making a living.

See you next year!

Dale Smith
KCR RE

Thoughts and Notes From the Editor

This month I would like to encourage members to support Checkpoint and the Kansas City Region by placing an ad in this fine publication. You may have a business that other members might like to use. They may not have your phone number or know the name of your business. They may not know that another member offers your product or skill. How would they ? A small business card ad helps you and your customer. The ad may not increase your business at all but there may be more than 500 people who read this publication and will know that you support the Kansas City Region, Sports Car Club of America and that you are proud to be a member.

Commercial Ad Rates for Checkpoint

Business Card Ad—\$15.00 per issue

Quarter Page Ad—\$20.00 per issue

Half Page Ad—\$40.00 per issue

Full Page Ad- \$65.00 per issue

All fees must be paid in advance and may be
Mailed to Gini Ragan with your ad copy
212 Warner, Bonner Springs KS 66012

Other ways you can support the Region is by attending the Award Banquet and letting the Award recipients know that the membership recognizes their contribution to our region. Of course letting officers know when you approve or disapprove their decisions is a way of showing your support. Being willing to accept the responsibility of an appointment or election to an office lets others know that you care about this club. Your presence at the meetings is an important way of showing your support and also gives you an opportunity to know fellow members. Hope we see you there.

Dues Increase

One of Kansas City Region's current national champions, Hans Peter, was finally old enough to legally buy a beer and the other, Mirl Swan, was 16 years old and still in high school, but was able to get his driver's license. Ronald Reagan was the President and George H. W. Bush was just starting to campaign for his run for the presidency. Hazel Haupt was the region's membership chairman and Heartland Park Topeka was still a cow pasture. The year was 1987 and it was also the last time the region raised its membership dues. So, starting January of 2007, the K.C. region dues are going up \$5 across the board. Individual memberships will now be \$20, spouse, \$10 and family, \$25. Show me anything worth doing that hasn't gotten more expensive in the last 19 years.

The Race Group is looking for a person to serve as Race Group Chair. Jeff Kopp will be serving as a member of the board and would like to pass the position of chairman to another lucky person. If you might be interested please contact Jeff, jkopp@kc.rr.com or Dale Smith, das240Z@earthlink.

The December Meeting of the Kansas City Region was held December 5, 2006 at the Creekside Pub and Grille. Bill Johnson, RE, called the meeting to order. Chuck Clark made the motion to accept the minutes of the November meeting; Brian Haupt second the motion; motion passed.

Norma Williams, membership chairman, reported a December 1 membership of 574 members. She introduced new member Randy Sharp and his wife Rita. Randy joined at the Runoffs and worked many hours during the Runoffs. Norma also introduced a guest and potential new member Richard Marler. Also attending our meeting was Brian Holtz, Area 2 Director, who was in the area for the National Directors meeting in Topeka.

Lorena Irvine gave the Treasurers Report.

Gini Ragan reported the Nov./Dec Checkpoint was in the hands of the members and the next issue will arrive before the January meeting.

Tom Rowe, Awards Banquet chairman reminded members the banquet will be January 20, 2007 at the Holiday Inn, 87th and I-35 in Overland Park. Tom would like members to donate doorprizes and also reported barrels will be available for the Harvesters Food Drive.

There will be a conference call meeting of the Midiv representatives to finalize the schedule, decide on groupings, discuss MidAm rules and a plan to help with worker/member recruitment.

Niel Leon, Solo Chair, gave the Solo report and reported the season over. The Solo group was able to realize a profit this year and also donated over \$1300 to the Royals Charities.

The Eleven Elevenths Rally held in November had a low attendance but those attending had a great time.

Nancy and Bill Johnson were the winners with Chuck and Alex Clark finishing second.

Jeff Kopp, Race Group Chairman, announced the Race Group Party would be Dec. 15 at the home of Tony and Kathy Giordano. Directions to their home were available at the meeting.

Bill announced the election of Jim Wheeler, Brian Haupt and Bill Johnson to the Kaw Valley Race Group. He thanked Chuck Clark, Ron Lentz and David Long who have represented KCR so well the last few years.

It was announced that the Board, at its November meeting had voted to raise the Region Dues by \$5.00. Some discussion followed.

Bill thanked the members for their support during his time as RE and adjourned the meeting.

Respectfully submitted

Gini Ragan, Secretary

YAKETY YAK.....

Dear Mom:

Ron Lentz has sold his race car and trailer. The Spec Racer has been delivered to California and the trailer was sold to one of Ron's customers in Raytown. Ron and Sana have purchased a lakefront house at the 56 mile marker at the Lake of the Ozarks. This will be their "getaway" and future retirement home. They also have purchased a 26 foot Chapparel boat. It has a cabin with sleeping quarters etc - similar to a motorhome.

The Keith Williams family has a new "arrival". It is a 6 week old blond Golden Retriever puppy. His name is Tucker and he is already very spoiled! Chaz (who is 10 years old) has been very busy making "Tucker Treats" for the puppy, in fact he is selling the treats to friends now.

Adam Smith, the 21 year old son of Dale & Deana, has accepted a job in Vail, CO and is now residing there. He is an apprentice to the Executive Chef at the "Left Bank" restaurant. This is a French 5 star restaurant. Adam was a student at Johnson County Community College in the culinary program. What a great opportunity for this young man.

The Annual "Dog's Best Friend" Party was held last week end at the Meredith Haupt residence. This party was originated by Chuck and Sue Woloscsuk and since Meredith purchased their home when the Woloscsuk's moved to New Mexico, she is continuing the party to celebrate the holidays.

Travis Nordwald has purchased his "first" house in Overland Park, KS. He wants his address changed so he will keep getting all of his SCCA stuff.

Buzz Fisher read in the Nov/Dec issue of Checkpoint where Barry Wolf's business, American Auto Electric Inc is now located in Leavenworth, KS, so Buzz took his tractor starter to Barry for repairs. Barry ask Buzz how he found him and Barry said that several SCCA friends had called recently. So guess this article is read!! Buzz said Mom had the wrong address though, the correct one is 740 Shawnee. Barry said that his father, Marv is in his second childhood. He now has 2 Corvettes - one to drive and the other one to save!

Sana Lentz recently was in the hospital for minor surgery. They removed her tonsils and did some nose surgery.

Mom received a picture from Britt Brown. It was a picture of Britt taken in 1958 when he was 12 years old. He was standing next to his brother Paul's pride and joy, a 1947 MGTC Concourse D'Elegance National show winner. This car had originally been a serious race car on the West Coast which explains why it had 15" competition wire wheels. Britt and Paul's dad purchased the car from E Tom Newcomer and David Kiser, who had brought it back to Kansas City in boxes. It was subsequently totally dismantled and restored to Concourse Condition by Tom while he was President of Tribute Casket Company. This took place before Tom fell out of favor with the Newcomer family due to his continued participation in SCCA racing against his families wishes. They spent a year resurrecting this gorgeous piece of sports car history. The car was later sold to Robby McDonald of McDonald Engineering fame. Robbie sadly lost control of it on Blue River Road and crashed it to extinction. Robby was fortune to survive the crash.

Kyle & Stacey Ritter are now at home in Independence, MO. They spent their honeymoon in Hawaii and said they had a great time.

The Stanley Elementary 4th grade classes put on a play, "Rats - The Story of the Pied Piper" on December 7th, 2006. Playing the lead role of the Mayor was Charlie (Chaz) Williams, son of Keith and Cheryl. He also sang two solos and did an excellent job. Attending the performance was Grandma and Grandpa Williams.

Bill Johnson (past RE) is the proud owner of a Formula Ford Swift SE93. The first of December an employee of Bill's went to Milwaukee, WI and brought the car back to KC. Bill has been very busy because the car is now stripped down to the bare frame.

Chuck Clark told Mom that his grandmother, Betsy Brown has moved to Kansas City from MI. She is now living at Sunrise of Lenexa, an assisted living residence. The end of February 2007, his mother Maribeth and her husband, Bill Dear will be moving to Kansas City also. They are waiting until the condo they purchased will be finished.

Jed Welder is now back home. He has been stationed in Kabul, Afghanistan and he thanks the KCR for sending the Checkpoint over to him for the last year. He said it was great to be able to follow KCRSCCA from over there! He will be residing in Michigan and looks forward to getting back on the track there. He said he would definitely see us at Heartland Park in the future. He said that it looks like they have done great things with the track in his absence! Welcome home Jed.

Bill (the older one) and Dottie Johnson have purchased a home at 121st Street & State Line on the Kansas side. They will not move in for about 6 months as Bill is doing a lot of remodeling to the home. Their new home is a few blocks South of Bill & Nancy's home and a few blocks North of Stephen & Brenda's home.

Our condolences to Guy and Sarah Watney on the loss of their mother and grandmother. Carol Watney passed away the latter part of September. She was 90 years old and lived in Somerset, England. Condolences to our Ozark Region SCCA friends on the loss of their member, Charles "Chuck" Leighton.

BANQUET UPDATE

The banquet plans are progressing. The cost per person will be \$35.00 per person; this is a \$5.00 reduction from last year. Drinks will also cost less. The buffet will have red meat and chicken entrée choices along with veggies, salad, rolls, etc. I have 2 areas I need help on. I need all traveling trophies returned. I can pick them up, you can send them to me, or you can drop them off at Charlie Williams shop, 2701 W 47th at Belinder.

I also need door prizes. If you have a business that can donate a service or if you can provide a prize that would be great. Look around your garage for new parts that fit a car you no longer own. I am more than happy to pick anything up. Please contact me at the following numbers. I have included my address if you would like to send a trophy or door prize to me.

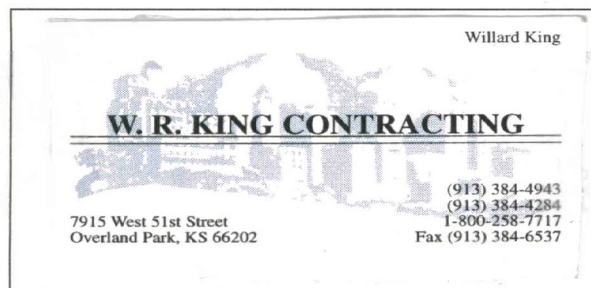

Thanks, Tom "Falstaff Special" Rowe, 9605 Meadow Lane, Leawood KS 66206
