RE VIEW WITH DALE SMITH

Hello Everyone,

As I promised in my last article, here is the rest of the history of our Region's Endowment Fund.

In 2000, the Endowment Fund had approximately \$75,000 in it, all in an assortment of CD's. The rates of return on those CD's were below 2% APR. The Board of Directors voted unanimously to diversify a major portion of the Fund into Mutual Funds with the expectation of higher returns. Approximately 2/3 or \$50,000 was invested into Mutual Funds, which became known as the AIM Fund. It was also about this time that \$6200 was also used to buy the current "Truckster" for the Solo Program.

Following the tragedy of September 11, 2001, the Stock Market went into a steep decline. This decline reduced the value of the AIM Fund stocks by about 50%. During the years 2002 thru 2005, the AIM Fund and the remaining CD's were left alone to compound interest in the hopes of recovering some of the losses. No disbursements were received from KVRG during the years 2000 thru 2005. I also believe that one CD of about \$3500 was cashed in to help with cash flow of general expenses.

In January 2006, we received a disbursement from KVRG for the first time since 1999. This \$6000 was placed in a CD and added to the Endowment Fund. The AIM Fund stocks had made some progress at recovery and were slowly gaining value. The Board of Directors began discussions about the future of the Endowment Fund and how it should be managed and invested.

This year, we received another disbursement from KVRG. This \$10,000 was deposited into the Region's general funds. The growth of our operations demanded a larger amount of available funds to help manage our cash flow needs. This has made it much easier to maintain our good credit standing by being able to pay all bills in a prompt fashion. It has also made it possible to continue to make capital investments in equipment for our Solo Program. A refund check was also received from the IRS and that \$3000 was deposited in a CD and added back into the Endowment Fund.

This spring, the Board of Directors determined that our AIM Fund stock should be sold and converted back into insured deposits. There were a number of reasons that this was done, but I won't go there now. It was sold at the highest price it had reached since pre-911 and netted about \$38,500. An additional \$1500 was added to this and CD's were purchased in the amount of \$40,000.

Currently, the value of the Endowment Fund stands at about \$76,500. It is totally invested in a mixture of short and long term CD's, all insured and earning interest at rates above 5%. The current Board of Directors has confirmed its intent to preserve the Endowment Fund at a level of \$75,000, in insured accounts, with the earnings of these accounts being used to help offset the general club expenses. This could change, should circumstances or other ideas arise and the Board of Directors vote unanimously to approve such action. As for me, I really like having our Region in the position to make those choices. It's always easier to find ways to spend money, than how to pay for things when you have none!

Don't forget to vote in the election this month! I'll see you all at our next event!

Dale

Thoughts and Notes

From the Editor

Election time is upon us— at the National and Divisional Levels (well those elections are actually over) and at the local level.

On the National level, Area 6 which includes the Kansas City Region had 3 candidates for Area Director; Chuck Clark, Lisa Noble, and Peter Zekert. The winner of that election was announced November 16 and the winner is Lisa Noble from the Kansas Region and more specifically Manhattan Kansas. Many of you will know her as a Formula Vee driver. Congratulations to Lisa; I am sure she will represent us well. At the Midiv Convention there was an election of officers. Of the four positions three were unopposed; Jan Rick from the St. Louis Region was elected chairman, Chris Safranek of the Nebraska Region will be the Secretary and Betty Martin from Northeast Oklahoma will again serve as Treasurer. Phil Harris from the Mid-South Region and Charlene Bettinger from the Wichita Region were candidates for Vice Chairman with Phil being elected. Congratulations to this group of officers. Please offer them your assistance should they need it!

Ballots for the local election have been mailed. This year we have used our bulk mailing permit which allows us to save more than \$60.00 in postage. Bulk mailing rates are based on number of pieces mailed and they must all weigh the same, so ballots going to members who do not have a spouse as a member will receive 2 sheets of blank paper with their ballot as those members with a member spouse each receive a ballot. This year we have the added ballot for the Solo Advisory Committee. I encourage each of you to vote in this election. The Solo Advisory Committee (SAC) is a committee which will help guide the Solo group including making local rules changes and other decisions which will effect the Solo Group. There are a total of 5 members, 3 were appointed by Board to serve 2 years (term expiring in 2008) and 2 who will be elected now to serve 2 years (term expiring in 2009.) All members can vote for the SAC, but if you are not interested in Solo and do not know the candidates, I can't imagine how you could make a decision.

Scott Peterson, Phyllis Nelson, Chuck Clark and Donna Hill were the members of nominating committee and Mike Farley was the chairman. Many thanks to them for hours spent finding candidates for the 2008 slate of officers. Also many thanks to those members who were willing to let there names be placed on the ballot—you are all winners in my book!

Charlie and Mom Williams were there Sunday morning and viewed the art work of Ellen and 9 other artists. Victor LaViola was the "voluntary" doorman (bouncer)!

The British Faire was held on November 10th at the Lenexa Community Center. Brian and Jennifer Williams had their 1958 white MGA on display at their car show. The Faire was sponsored by The British Home. Bonnie Haupt is a member of this group and they support retirement homes in Chicago. They help build gazebos and green houses, provide bus transportation and support other charities also.

Ken Snyder had surgery on his right knee to repair torn meniscus. The Doctor told Ken there were foreign objects in the knee and Ken ask if they were Hondas or Toyotas!! Ken will be on crutches for 2 weeks and back to "normal" in 4 weeks.

Dale, Deana and Adam Smith headed to St. Louis, MO to attend the Middiv convention. Friday night Deana was making Adam a bed on a cot at the home of Dale's mother and she fell. She fractured her right arm and dislocated the elbow. Upon arrival back in Kansas City, Deana was going to see an orthopedic Doctor. Dale attended the convention and Deana missed all of it.

While the boys were here, they spent a couple of days visiting the Bill & Nancy Johnson home. Friday the 4 Smiths traveled to Squaw Creek and saw 56 bald eagles. On Sunday they headed to Muskogee, OK to meet Hayden & Hunter's mother, Donna and return home.

Arthur Johnson, son of Bill and Nancy, was hit in the left eye at a baseball game. He had surgery to repair his broken nose and repair the socket around the eye. They installed some titanium during the surgery. AND....Arthur was able to attend the MU-KU football game at Arrowhead Saturday night.

We suppose you can't really blame people for not realizing a true fact.

We're the best vintage car shop in town, so lots of people just assume we don't offer:

STREET CAR PREVENTIVE MAINTENANCE – Oil changes, lube, shocks, brakes, exhaust, front drive service – we do it all!

UPHOLSTERY – Choose from the same wide range of colors and styles you find anywhere.

BODY WORK – Our specialists have always been first class in aluminum body repair and fabrication. Surprise – we do steel and fiberglass, too!

PLUS -- We still offer the other quality design and fabrication services we've built our reputation on.

So if you take it to the street, take it to us – the car experts who really do do.
