# RE VIEW WITH GINI RAGAN

I would like to talk a little about the advertising and sponsorship programs the Kansas City Region has in place.

For several years we have had Superior Chevrolet, Superior Toyota and Hummers of Kansas City as sponsors for club racing and last year the Solo Group also benefited from the same sponsors. KVRG included the sponsors name on the Supplementary Regulations, they were listed as a sponsor on the results and their name was included on the trophies. They were encouraged to have a car display at the racetrack and usually brought 6 or 8 cars for the display. The Solo Group displayed a banner at the entrance to the solo site, required participants to display a club supplied magnet or decal on their car, and included their name on the trophies. Sponsorship can be as little as a hundred dollars or any amount a business is willing to pay. I think the club offers a business a nice amount of publicity for the contribution to the club. If you are a business trying to get your name before a group of people, particularly those interested in motorsports, the Kansas City Region is the place for you. There are several names and phone numbers in this publication that you can contact for more information.

For many years we have had advertisements in our newsletter, Checkpoint. I am sure these businesses have benefited by having members come to them for services these businesses provide. Currently our advertisers are Greg Welch, who is a metal fabricator, W. R. King Contracting, Carriage and Motor Works, Amsoil (synthetic lubricants) dealers Ken and Gini Ragan, Saferacer (Mike Asselta) and Mattress City, John Strickler owner. Phenix Labels and Kwik Copy Printing also support our club by providing products we need to publish and mail Checkpoint. Now available along with your Checkpoint ad is a BANNER AD on our website. If you would prefer a banner ad is available without a printed ad. Rates for advertising can be found on the last page of this issue of Checkpoint.

We really appreciate all these businesses and their owners who have made contributions to the Region. We hope when you need a product that they provide, you will contact them and at least let them make you an offer before you purchase that product.

To the above named businesses, I personally would like to say **THANK YOU!** I hope you find a benefit from the dollars you spend with us!

Until the next time . . . . .

*If you doubt our club can move swiftly, you weren't at last week's Race Group Meeting!* Before I knew it, I was nominated and confirmed as 2009 Race Group Chair. Charlie Clark stood up, said something resembling "it was fun, but I'm done," sat back down, and after a bit of stalling and a few pointers from my sis, Alex (Clark), I took my newly appointed position at the proverbial pulpit and resumed the meeting.

There was little to report on the racing front, but everyone shared their expectations for the coming season and a few gave updates of off-season activities. The conversation eventually settled on the familiar issue of recruiting new members, which led to discussions of reviving the "Mentor Program" once initiated by Travis Nordwald. There was abundant interest and discussion, and Gini Ragan shared that the Board is reviewing this idea as well. If you are interesting in mentoring, please attend next month's Race Group Meeting. We expect to hear more on this topic.

Additionally, next month's meeting theme is **Bring a Friend**. Your "friend" could be a co-worker interested in motorsports or a member who has not attended Race Group lately. Your friend will earn you 1 raffle ticket, which is good for a chance to win a \$10 gift certificate for Westport Flea Market. Register with me upon arrival.

Our program will be the **MidDiv Racing Season Highlights**. These are the video highlights distributed to winners of our annual racing awards at the Annual Awards Banquet. Jim Wheeler volunteered to set up a projector for this private showing. Don't miss out! I am told there is great footage!

Looking forward to seeing the regulars as well as new faces next month!

Your 2009 Race Group Chair,  
Meredith Haupt, a/k/a "Mere", #75 EP

## YAKETY YAK . . . . .

Dear Mom:

On January 14<sup>th</sup>, 2009 Leo Alexander Deitchman was born. Ken and Susan are the proud grandparents. Leo was welcomed home by his parents, David and Maria Deitchman and big sister, Victoria who is 4 years old.

Keil Roberts, son Steve and Karin joined the Navy and completed basic training at the Great Lakes Naval Base mid-September. He was accepted into the Defense Language Institute in Monterey, CA and has been assigned to learn Korean. He is scheduled to finish his training in June 2010. Keil was home for Christmas.

Mom received an email from Mike and Barbara Dickerson. They are in Kentucky, but not really settled yet. They are living in Barb's Dad's house while he winters in Florida until April. So they have until then to find a job or maybe take up residence in the motorhome. They say that they are really doing fine and they miss all of their good friends in the Kansas City Region. They are still and will remain members and hope to see many of us as the year goes by. They extend a welcome to any of us traveling to Kentucky to show us around the Bluegrass area. The new Bluegrass Motorsport Park is not more than a stone's throw from Kentucky Speedway. And a quote (I am sure from Mike): to just rub it in to you Jayhawks and Missouri Tiger fans....go Wildcats...the real ones...in Kentucky, not those imposters in the wanna-be-New York !!!!!!! The Dickerson's also send their congratulations to Bill Johnson, the oldest on his Hall of Fame nominations and say "Well deserved".

Gary and Linda Hartman will be busy sometime in the next 60 days as their daughter is moving from Wichita, KS to St Louis, MO.

Nick Roberts and Nickie Lee have set the date of June 13<sup>th</sup>, 2009 for their wedding. They will wed at St. John's cathedral in Lawrence and plan to continue living there as they work on their master's degrees. Nick is majoring in Engineering Management and Nickie in Public Administration. She is currently working in an internship in the government of Basehor, KS. Nick is the son of Steve and Karin.

This past weekend, The Kansas City Star Magazine featured babies born in 2008. Charlie and Mom recognized a cutie, grand-daughter, Miss Isabella Williams, daughter of Keith and Cheryl. Isabella will be 1 year old on March 13<sup>th</sup>.

don't look back. . . . .

## The Things People Think We Don't Do, We Really Do Do.

We suppose you can't really blame people for not realizing a true fact.

We're the best vintage car shop in town, so lots of people just assume we don't offer:

**STREET CAR PREVENTIVE MAINTENANCE** -- Oil changes, lube, shocks, brakes, exhaust, front drive service -- we do it all!

**UPHOLSTERY** -- Choose from the same wide range of colors and styles you find anywhere.

**BODY WORK** -- Our specialists have always been first class in aluminum body repair and fabrication. Surprise -- we do steel and fiberglass, too!

**PLUS** -- We still offer the other quality design and fabrication services we've built our reputation on.

So if you take it to the street, take it to us -- the car experts who really do do.
