# RE VIEW WITH GINI RAGAN

At the beginning of this racing season I was excited to find the Kansas Speedway on the KC Region Solo schedule. I thought I should be able to attend an event or 2 and maybe even help at registration or wherever else help may be needed. But as luck would have it, other commitments prevented my attendance until now. I put October 11 on my calendar and come H... or High Water I would be there. Well, there wasn't any high water and it wasn't hot enough to be h...! Donna Hill even said it was "colder than Hyades in January" and I am sure she was right. I showed up about 10:15 am, too late to offer help, and spent a little time just watching. I met a fellow from Parkville who came to watch and see what autocrossing was all about. Hope, he a good time and will come back when the weather is better. Then some nice soul suggested maybe I would like to observe the timing being done in the "Truckster" – there was no heat, but no wind either. The 4 guys (Mike Schulte, Jake Diehl, Jared Langenfeld and Mark Hill) working timing and announcing seemed to have everything under control. As a matter of fact, it appeared to me that everyone with a job responsibility knew what they should be doing and were doing it. Participants must have been having fun; why else would they be hanging out in 35 – 40 degree temperatures. This season will end October 25 with the charity event at Metropolitan Community College, Precision Driving campus. I'd like to suggest you come watch and/or participate with the Kansas City Region Solo Group; they would appreciate your support!

Until the next time

## RACE GROUP REPORT

### August Meeting Recap:

I told you I wouldn't be available for the August meeting, but I lied. I either miscalculated the date of the meeting or the start of classes. Either way, I was available and in attendance, which is good thing since I hadn't yet chosen my victim...er...I mean..."volunteer" to host the meeting. But if you needed all that explanation, that means you weren't there. Shame on you! What? You had something better to do? I doubt it! OH, just kidding, keep reading...

While this meeting was fairly intimate (read 'small', not 'frisky' – after all, Bill wasn't there. J), we did have a surprise visit from **Nico**. I'm sure I learned Nico's last name at some point, but I can't retrieve it now. In fact, I'm pretty sure I butchered the spelling of his first name, but anyone who has purchased tires from Charlie in past years knows who I'm talking about. Anyway it was great to see him and.....Surprise! He's a daddy! Congratulations, Nico!

As for our discussion...the official race results for MAM had not been posted, so we relived **David Long's** brilliant drive and National EP Win in the rain and **David Bennett's** clinch of the Division Title in STU.

**Brian Haupt** proposed that we move either EP or AS to another run group next year. **Gini Ragan** suggested that interested parties take this idea to **Rocky Entriiken** to determine an optimal solution. The next step is to solicit support from the MidWest Division RE's and Executive Committee. This process is currently underway.

### October Meeting – Tuesday, 9/15, 8pm, Westport Flea Market

A special guest host will be filling in for me. Don't miss seeing who this is. Finally, find out if **Brian Haupt** accepted my challenge to shave his face if I out-qualify him at the Runoffs.

Have a great time. I'll be thinking boutcha!

## YOU, TOO, CAN BE A KVRG REP

It is time to begin thinking about the 2010 racing season. Would you like to be a part in the planning of these events? Three representatives are appointed each year from the KCR. The process is pretty simple – all you need to do to represent the Kansas City Region on the Kaw Valley Race Group board is to submit a letter to the KCR BoD stating you would like to be a representative and your qualifications. Of course, you must be a voting member of the KVRG which means you must hold a competitive or a race official license. You must also have served as an officer or director of the Kansas City Region. The board will make the appointments at the November BoD meeting.

Serving on this board requires a little time – there will be a minimum of 7 meetings, one to approve contracts with the track and tentative budget items. There will be meetings to approve sups for each event and to make sure all has been done to create a smoothly operating, event including placement of caterer and trophy orders. These meetings may be held in Baldwin City, Lawrence, or Topeka and usually in the evening. The KVRG board tries to make it easy for all board members.

Dale Smith has indicated he will not seek reappointment so a replacement for him is being sought. Gini Ragan and Alex Clark plan to seek reappointment, they could be replaced by other candidates. Letters are due the BoD by November 20 so that appointments can be made at the November 24 BoD meeting. Please submit them to the secretary, Donna Hill at donna1301@fairpoint.net or mail to Donna Hill, P O Box 412691, Kansas City MO. 64141.

Disclaimer: The author of this article is under the influence of a very addictive drug called PDX  
(Performance Driving X-perience).

Its Labor Day morning and I can't stop thinking about the fun I had Saturday and Sunday at a little place known as Heartland Park. I participated in my first PDX after Soloing for the last 5 years. I am a changed man. I have an added appreciation for our club, the people in it, the capabilities of the 'Ol Falstaff Special', and the fact you can have this much fun legally.

The most impressive thing about the entire weekend is the people. The course workers are incredible. The time and dedication they put in is amazing. One of my favorite parts of the weekend was the cool down lap after the checkered flag when you drive around and wave to the workers. I hope they realize how appreciated they are. The instructors were awesome. Thank you Jim Wheeler for organizing this event, I promise to be back. Thanks to all the instructors especially Paul Brown and Brian Landers who were brave enough to ride with me. I tried to implement everything they told me and I know I improved with every lap. Thanks also to Charlie Clark and Scott Peterson who have always answered every one of my questions with minimal laughter. The Saturday night party was great. There are not a many better experiences than drinking Pale Ale with a bunch of like minded car nuts.

I hope I represented the Solo group well. I was very proud of the fact I was on the course every possible minute and the 'Ol Special' performed flawlessly. There were several much newer and expensive cars that couldn't get that done. I would like to personally invite the road racers out to an Autocross. I have always assumed most racers started in Solo and moved to road racing. Although that is true for many of them I was surprised how many road racers have never tried Solo. I hope I showed them there are some decent drivers and cars soloing and they are welcome to join us anytime.

I would also strongly recommend that the Solo community get more involve in the racing side of things. I enjoyed watching the races, wandering the paddock looking at cars, and meeting a bunch of great people. It is amazing how close you can get to the action on and off the track. I would also suggest that anyone interested in seeing what you and your car can do in 3<sup>rd</sup> and 4<sup>th</sup> gear try PDX. I drove close to 140 miles while hitting triple digit speeds, and got 2 hours of track time for \$210. It was the best bang for the buck trill I have ever had.

Thanks again to all involved. I have decided next time I am having a bad day I am going to look back on this weekend and I know it will lift my spirits. The only down side I see is I have one foot firmly planted on the slippery slope of racing. Hello roll cage, let the check writing begin.

Tom "Falstaff Special" Rowe

## Kansas Rally Weekend

Rallyists in northeastern Kansas and the Kansas City area will have several opportunities to enjoy drives in the country and to compete with other rallyists in time-speed-distance events as the Kansas Rally Weekend is back! Saturday, November 14, the East to Eason, West to Weston Rally will traverse the paved roads northwestern Missouri. The rally will start at the Legends (106<sup>th</sup> and Parallel Parkway) and end at the Weston Brewery in Weston, Missouri. While the starting and ending locations for this event will be the same as in 2008, an entirely new route over the paved roads of Platte and Buchanan counties has been devised. This event will be sanctioned by the Kansas City Region of the SCCA.

Sunday, November 15 will see the "Pavement Ends Again" Rally, the event name signifying the fact that mostly unpaved roads will be used for this tour of Douglas, Jefferson and Leavenworth counties. The start of the event will be at the Grant Township Community Center, north of Lawrence, and end of this event will be at the original "Johnny's" location just north of the bridge in downtown Lawrence, Kansas. This event will be sanctioned by the Kansas Region of the SCCA.

Workers for both events are needed. Contact Rich Bireta at [rbireta@gmail.com](mailto:rbireta@gmail.com) if you can come out and help with event registration or running a checkpoint.

Details, when times and exact locations are finalized, will be posted on the Kansas and Kansas City Region web sites. For further information on these events, contact Rich Bireta at [rbireta@gmail.com](mailto:rbireta@gmail.com)

## **YAKETY YAK . . . . .**

Dear Mom:

It's a girl! Seven Inanna Williams was born on 09-09-09 to proud parents, Brian and Jennifer. Seven was born at 6:01pm and weighed in at 6 lb 1 oz and was 20 ½" long. Big sister is Brittney and grandparents are Charlie & Norma Williams. Grandma says she is a cutie.

Barry and Linda Heuer and their granddaughter Elizabeth Reams took Barry's Shark Vintage Vee to the RMVR Showboat Grand Prix at Motorsports Park Hastings on Labor Day. After the racing, they all three visited the Pioneer Village in Minden, NE before heading home.

Donna Hill received an awesome gift for her recent birthday. She can be seen riding her new Vespa scooter. It is a hot pink and is named "Izzy".

Charlie and Sharlene Smith left the Runoffs at Elkhart Lake, WI on Sunday evening and instead of heading to Kansas City (like the rest of us), they headed to Cleveland, Ohio to visit a few days with their son Matt and his wife, Irene. They got to see Matt & Irene's home and their new puppy. When they finally returned home, Sharlene said they had traveled 2,000 miles!

Dick and Suzanne Berger are new grandparents. Jimmie and Tara (Berger) Coryell proudly announce the birth of their daughter, Ellouise Suzanne on August 25<sup>th</sup>, 2009. She weighed 8 lb 7.9 oz and was 19" long. Scyler, Schaden and Carter, big brothers, were real excited to welcome Ella to the family.

Ellen Wolf shared some of her new art works at "Got Art Gallery on Third" in Lee's Summit, MO in September. She is also very busy gearing up for her exhibit at the Spiva Art Center in Joplin, MO next July.

Addison Bachenberg announces the birth of her new brother, Maddox Christopher who weighed 9 lb 5 oz and was 21" long. Maddox was born September 18<sup>th</sup>, 2009 to John & Molly who live in the Chicago area. Grandparents, Steve and Dian will go to their home on November 10<sup>th</sup> to meet Maddox and help Addison celebrate her 3<sup>rd</sup> birthday.

Recently more than 6,000 volunteers participated in "Christmas in October" in Kansas City. This is the 25<sup>th</sup> year of making houses more habitable with the volunteers replacing windows, painting, plumbing, installing furnaces, rewiring -just about everything! This year they repaired 512 homes across the city. Mom Williams was very proud that two of those volunteers were son, Keith and her grandson, Chaz. They were there with Boy Scout Troop 449 - of which Chaz is the senior patrol leader.

Jack Wolf, who turned 2 years old in September, recently visited his grandparents, Ellen Wolf and Victor LaViola. Accompanying Jack to Kansas City from Queen Creek, AZ was his parents, Jason and Liz. They stayed a week and all of them traveled to Parsons, KS to help great-grandmother, Daisy Caress celebrate her 91<sup>st</sup> birthday.

Rumor has it that the KCR Regional Executive attended the Sunday solo at Kansas Speedway. Rumor is that she drove around some pylons trying to find a place to park and ended up in a "No! No!" area. After finding a parking place our RE checked out the Solo Timing & Scoring truck and really enjoyed herself.

Per the Monday, October 12<sup>th</sup> Kansas City Star, Donna Mae Mims passed away at the age of 82. Donna was the first woman to win a Sports Car Club of America national championship, doing so in 1963. Per her wishes, Mims body was seated behind the steering wheel of a 1979 pink Corvette for visitation hours at a funeral home in McMurray, PA. Our condolences to her family.
