RE VIEW WITH GINI RAGAN

At the National Convention this year it was mentioned that when a member reaches the magical number of 50 membership years, they are rewarded with a Lifetime Membership. It was suggested that the Regions might also extend Lifetime Memberships to those members. The Kansas City Region BoD, at their June Meeting, agreed to extend lifetime memberships to the Region Members who have been members of SCCA for 50 years. If my memory serves me correctly there are two people eligible for that honor today. They were recognized at the 2009 Awards Banquet and they are LaVone Daily and Dennis Van Velzer. We are pleased to have them as members of the Kansas City Region.

It is time to appoint the Nominating committee. They will be looking for members to serve the Kansas City Region as officers in 2011. I hope if they ask you, you will give serious consideration to allowing your name to be submitted as a candidate for office. The officers and directors make up the Board of Directors and meet as a Board on the last Tuesday of each month. An elected official is expected to attend those meetings and represent the members who elected them. It is understood that family and career obligations can and will prevent a member from attending occasionally. I have heard that some members have expressed a desire to be on the Board but have also stated they did not have time to attend another meeting. The Board meets for about 2 hours and is the group who guides this club and makes decisions for the future of the club. If you cannot or do not want to spend a couple of hours helping the Region move into the future, then it is my opinion that you should say no if you are asked to volunteer to be a candidate for office in the Kansas City Region.

Until the next time

Springfield Missouri, in the Heart of the Ozarks,

will be the site for the 2011 Midiv Convention.

March 4, 5, and 6

Hotel accommodations have been made at the

Ramada Oasis Convention Center,

Racing Recovery—Increased Participation Shows Positive Trend

Topeka, Kan. (July 22, 2010) - Just two days after opening on July 20, the SCCA National Championship Runoffs entry list shows exactly 401 entries. That, coupled with an increase of 13 cars over 2009 regular season event averages, signifies that the pendulum may have shifted for the Club that felt the negative effects of the economy over the last two years.

"We have not completely rebounded, but we're making progress back toward the levels of five years ago," SCCA President and CEO Jeff Dahnert said.

Dahnert knows that registration procedural changes may have produced more of a land rush in Runoffs entries than previous years, providing the highest two-day entry total in the event's history, but said the Club expects an overall increase in attendance for its crown jewel road racing event, held September 20-26 at Road America.

While more participants generally translates into more competition for racers and fans alike at he Runoffs, Dahnert is most pleased about the increase in entries during the 70-odd SafeRacer SCCA National Racing Series events during the regular season.

"We've gone from averaging 125 cars to 138 cars from 2009 to 2010, which is a great increase and a sign that both the economy and participant satisfaction is on the rebound." Dahnert added. "We're an organization based on participation weekend-to-weekend, not just at the year-end Championship events.

"Additionally, we've seen an increase in our Tire Rack National Solo program event attendance and our overall number of members. The increase in members is not substantial, but since the beginning of the year it consistently headed in the right direction after 18-24 months of decline due to the economy."

Dahnert said that while the improving economy is a factor in the rebound, the organization continues to look at its programs and to promote more opportunities for motorsports participation.

"Whether they are racing toward a Championship or just for fun, flagg9ing, organizing or overseeing an event, SCCA exists to provide our members with the vehicle to create lasting experiences."

Editors note: As of July 31st there are 585 entries for the Solo Nationals. 488 drivers have registered for the Runoffs and 277 volunteer officials plan to attend the Runoffs.

YAKETY YAK

Dear Mom:

I must correct an article in the last Checkpoint where I wrote about our granddaughter, Brittney Williams competing in the June PDX. In attendance to watch and support Britt was her mother, Bobbie Jo Killeen, her husband Kevin and Britt's friend Molly Munns. They all stayed and had lunch with Charlie & Mom before heading back to KC.

On Charlie & Mom Williams fifty-fourth wedding anniversary, June 9th, we were invited to Charlie & Sharlene Smith's farm in Pleasant Hill, MO for a weiner roast. Also in attendance were Charlie Smith's mother, Jerri, his brother, Allen and Charlie's niece, Courtney & her husband Jeremiah. After dinner we all settle in for a "quiet" evening of visiting. Soon we heard sirens in the distance but Sharlene assured us they were up on the highway. As the siren sound got louder, CW joking said, "Sharlene, I think they are coming down your driveway". Now, the house & barn are set about ¼th mile off the road. Then, lo & behold, down the driveway came a "4-wheel drive" large pickup with an attached trailer that had several "zero turn" mowers on it and in close pursuit were two police/highway patrol cars. The pickup turned the corner (we all didn't think he would make it) heading towards the house and with nowhere else to go, drove thru a barb wire fence and up thru the neighbors field and back onto the highway. Now, meanwhile all of us were standing by the barn watching and wondering when the "reality show" cameras would appear! NO, this was the real thing!! Next, two more police cars arrived and started searching the field - thinking that someone may have jumped out of the pickup. They caught the young man when he drove into another field just South of the Smith's farm, got stuck and bailed out of the pickup. We heard the next day that the pickup had been stolen from a gas station on 50 Highway & 7 Highway and had been chased all this way. On the way home later, Charlie & Mom decided that this was certainly going to be an anniversary to remember!

Dick Berger flew to Atlanta, GA then drove to Panama City, FL where he and Suzanne celebrated their 34th wedding anniversary. They also celebrated their daughter, Tara's 31st birthday while there. Dick said the weather was great and he did not even see a single drop of oil on the beaches! The grandkids, Scyler, Schaden and baby Ella were a joy to be around, with each developing their own personalities. Dick and Scyler raced go-karts and it took Dick 4 laps to finally pass him, we hear Scyler is definitely good at blocking! Tara has a new job at a health clinic near her home.

Before Dick Berger headed to Florida, he went to Bert and Donna Swift's old house on Blue Ridge to retrieve some stuff that had been "in storage" in the attic for almost 20 years. Banners and signs, Corvair parts and lots of trophies were "discovered" and are being slowly unpacked so they can become fodder for new/old stories.

Chaz Williams, son of Keith & Cheryl planned a week Scout trip to Medicine Mountain Scout Ranch at Custer, South Dakota the last week of June for several boys & chaperones (including his father) from their scout troop in Overland Park, KS. They took a one day tour of Mount Rushmore & the Crazy Horse monument and tried the President Alpine Slide. Shortly after arriving at the ranch, Chaz stepped out of a trailer the "wrong way" and broke a bone in his foot. He will be in a cast for a projected recovery time of 12 weeks! Looks like go-karting will have to wait!

On July 5th a young girl (7 years old) fell into the Trinity River in Fort Worth, TX. A couple who are trying to adopt her and another young girl jumped in to save her. Riding his bicycle nearby, Jeff Harrison, swiftly jumped into the river also. He said they were right in the middle of it, the mother was totally under the water being kinda of held up by the little girl. He rescued them both and pulled them out, the girl was OK but the mother was initially not breathing. Jeff who has no formal CPR training attempted to revive the woman based on techniques he had seen on TV. She regained a pulse just as an ambulance arrived and was rushed to a hospital. The Fort Worth Fire Department searched for the father but did not find his body until 30 minutes later. Jeff is the second son of Neil & Ann Harrison, former KCR members. Neil raced a Sprite and C-Sports Racer in the Midwest. Jeff also has been a racer starting in karting and was the 1996 Inaugural Team Green Academy invitee.

Bob & Jean St John of Massa, AZ spent several days with Ken & Gini Ragan then all 4 traveled to Cedar Rapids, IA to attend the Corvair National Convention. Gini said about 25 people from the KC area were there and about 200 Corvairs, most of them in good repair, were on display.

Ellen W Wolf has a showing of her art at the Spiva Center for the Arts in Joplin, MO. This show will run from July 17th thru Sept 3rd. The opening reception was held on July 16th and Ellen said it was truly a terrific experience. Everything went well, she met lots of very nice people, sold a couple of paintings, got treated to dinner and had a very nice motel room with a great custom order breakfast the next day. Wow! She also loved the way they hung her work in the Regional Gallery. They had room for 36 of the 38 pieces they originally selected. The "headliners" were a young couple from New Orleans who collaborate on their art (manipulated photographs and short films - he is the painter, she is the photographer). Their artist talk on Saturday was fascinating. Needless to say - Ellen was in VERY good company.

Brian & Bonnie Haupt recently had guests, daughter Maria and her family were here visiting from Turkey.

Last week-end Ken & Gini Ragan celebrated their 50th wedding anniversary with a party for relatives and friends. Their four children - Chris, Leslie, Kelly & Mike, their spouses and the 6 grandchildren, Kayla, Kaci, Ryan, Allison, Kylee and Alex were there. Gini's sister Tootie Ney & nephew Terry came from AZ. There were several KCR club members in attendance. The maid of honor from the wedding, Shirley Helzberg & her husband Barnett were present also.

John H Goans, Jr, 79 years old and former KCR member, passed away on June 7th, 2010. He and his father, John Sr were granted the first foreign car franchise in the Midwest, Goans Motors. In the late 50s, John Sr & Jr formed a race team with Jr doing the driving and he raced the first Daimler in Kansas City. He also won three Divisional SCCA Championships and qualified and competed in the first SCCA Road Race of Champions held in Riverside, CA in 1965. He was the KCR race driver of the year in 1963 and Regional Executive in 1965. He also served on the National SCCA Competition Committee.

Beatrice "Bea" Schmitz, a former KCR member, passed away on July 9th, 2010. She was 92 years old. Bea & Frank Schmitz were members of the KCR club and loved to participate and organize sports car rallies. They ran in the first Great American Vintage Car Race in 1983, driving a 1939 Olds Convertible. There were 77 starters and the Schmitz won!

Our condolences to Steve Bachenberg and his family on the death of his wife, Dian. Dian, 63, passed away on July 20th, 2010 at her home. She also leaves two sons, John & Mark and two grandchildren, Addison & Maddox. Dian was the KCR Spouse of the Year in 2004.
