RE VIEW WITH GINI RAGAN

The SCCA Championship Season is here.

The Tire Rack Solo National Championships are being held in Lincoln Nebraska from September 7 – 10 with the ProSolo Finale being held at the same site September 4 and 5.

More than 25 of the Kansas City Region Soloists will be attending. They have plans to have a large canopy with most of the members sharing paddock space and camaraderie under it during the week.

The SCCA National Championship Runoffs will be from September 20th thru the 26th and will be held at Road America near Lake Elkhart, WI. Again, several KC Region members have qualified to participate and will be in attendance. In addition, the Region has several members who have volunteered to be officials at this event.

We would like to congratulate you all and hope that you all bring home a Championship. Knowing that is not likely, we then offer Good Luck, Safe Travels and Good Times.

I would like to say that I believe you and I belong to a CHAMPIONSHIP club, the Kansas City Region of the Sports Car Club of America. The officers of this club care about the future of the club and give many hours a year to make sure we have a future. As you should know, there was a vintage race in Topeka in August and our members were asked to volunteer. When the call went out that we were a little short of workers, several members stepped up to volunteer that do not normally work races and other members asked friends and family to come help and as usual this event was well manned and the KC Region did their part to ensure a safe and enjoyable event.

Our Solo people have found a good site for holding events, they have many members willing to step up and be leaders, they are willing to try new ideas, and most important, they have a good time at their events.

We anticipate our annual Rally Weekend and each year we manage to have an increase in attendance. Our Rallymaster finds some interesting roads that most of us have never driven before and may never drive again following the rally.

Our Road Racers and Volunteer Officials continue to bring exciting racing to the Midwest Division and you will usually find one or more of them at every race within the Division.

There is an expression that goes something like this "I joined for the cars but I stayed for the people." I think this is the truth for each of us and I also think all the Kansas City Region members are Champions!

Until the next time

YAKETY YAK

Dear Mom:

Bill & Barbara Correll have been on the go! They left July 15th & drove to Georgia to see Bill's niece get married. They took Bill's 91 year old mother with them. They arrived back home on July 19th.

Bill & Barbara left again on July 24th and headed West. They saw Colorado National Monument (CO), the Arches National Park (Utah), Canyonlands National Park (Utah), Bryce Canyon National Park (Utah), Zion National Park (Utah), Sequoia National Park (CA), Cabrillo National Park (San Diego, CA), Petrified Forest and the Painted Desert (AZ), the Grand Canyon National Park (AZ) and the Meteor Crater (AZ). Wow! They also visited several days with a daughter and a sister-in-law in Las Vegas. They were gone 15 days and took approximately 850 pictures and got to see many places they thought they would never get to see.

Chelsea Snyder had gall bladder surgery the middle of July. She attended the August general meeting and said she was feeling fine.

Charlie & Sharlene Smith had special guests the last of July, their two grandsons Hayden & Hunter Smith and their friend, Austin Calcote. All three of the boys reside in Hughes Springs, TX. While here the boys, grandpa & grandma drove to Dogwood Canyon Nature Park in Lampe, MO, in the Ozarks. They took a tour of the park riding Segways. Their tour guide was Bill Rinke. The tour took about 2 hours and was a round trip to the glory hole, a blue-green pool where some of the largest trout reside. The park is 2,200 acres of unspoiled paradise. Before going home and back to school, the boys also helped their great grandma Allene Duzan celebrate her birthday in Nevada, MO.

Peter Wilke flew to Buffalo, NY this spring to see his grandson, Stephen Fildes graduate from high school. He also visited with his grandson, Matthew, Stephen's 14 year old brother. Stephen & Matthew are the sons of Peter's daughter Diane. Peter left Buffalo and visited with his daughter, Victoria at Cambridge, NY then flew to Georgia Seashore to visit his sister and her husband.

Sean Willoughby & Jennifer Kothe were married on August 7th, 2010. They spent their honeymoon in Colorado and are now living in Overland Park, KS. Sean is a mechanical engineer for Shuttle Wagon in Grandview, MO and Jennifer is a dietitian at Children's Mercy Hospital - downtown.

Sean's father, Bob Willoughby, a former KCR member is now a history professor at the University of Arkansas in Fort Smith, AR. He moved there about 4 years ago. Bob was a Spitfire driver in G Production when he lived in St Joseph, MO.

Ken & Chelsea Snyder both participated in this years "Susan G. Komen Kansas City Race for the Cure". Ken competed in the timed 5K run and Chelsea did the 1-mile walk. The annual event has raised more than \$8 million since 1992 in support of breast cancer education, screening and treatment. Leslie Ensign, daughter of Ken & Gini Ragan was also a participant.

Keith & Cheryl Williams recently spent 4 days in Williamsburg, VA celebrating Cheryl's birthday. They stayed at the Williamsburg Inn and enjoyed many sights around the area. Charlie & Mom Williams stayed at their home and "babysit" their four children, Max, Chaz, Henry & Isabella. Or maybe the grandkids "babysit" grandpa & grandma!!

Peter Wilke said that both girls, Victoria & Lauren will be visiting with him & his wife, Lenora over the Labor Day weekend. Victoria is coming back for a friend's wedding. She works and also goes to school at Harvard University in Cambridge, NY. Lauren works for the University of California - Davis Campus. She works with lab mice (1,000s of them) but recently got a promotion so now has some personnel responsibilities too. The girl's visits will overlap for a few days.
