

A PUBLICATION OF THE KANSAS CITY REGION SCCA

April 30, and May 1, 2011 at Heartland Park in Topeka was the site for a busy weekend for the KC Region SCCA Kansas Region and Kansas City Region Solo combined efforts to hold a two day event. KVRG also held a two day event on the track. Well attended, participants agreed that the venue sharing went well.

Results from the KVRG Races can be found on page 4

YAKETY YAK

Dear Mom:

Mike McGinley, Vice President and Executive General Manager of Superior Chevrolet, has been trying for over a year to reunite Dave Parsons, one of their really good customers, and a car he bought new from Van Chevrolet (the name before Superior). The car is a 1965 Corvette Coupe with the 327/375 horsepower fuel injected engine and the 36 gallon gas tank. Dave bought the car new and raced it and won B Production in 1965-1967. The car's current owner is Jay Stahl who lives in Illinois. Jay recently completed a multi-year frame off restoration on the car to restore it to its "showroom new" condition. The car was judged at the Bloomington Gold Event last summer and has received the "Top Flight" award twice. When Dave ordered the car new he waited for about 4 months to have the car built to his specs, and he's kept every piece of documentation he ever had. It's one of only 741 fuel injected Corvettes built in 1965, and 1 of only 41 "tankers" (36 gallon fuel tank) cars. It's estimated that only 7 cars were built with this configuration and this is one of 4 known remaining examples. Mike said they picked Apr 30th/May 1st weekend because they had the Annual Corvette Show, in conjunction with the Kansas City Corvette Association planned for May 1st and they knew there would be about 1,000 Corvette enthusiasts at the store thru out the day for the show. They parked Dave's car, his trophies, uniform, and pictures right in the middle of the showroom floor. They also had the first ever "Dinner with Reeves Callaway" event Saturday night. Reeves Callaway is the founder of Callaway Cars who currently modifies Chevy Corvettes and Camaros. The Callaway Corvettes produce from 580-652 horsepower and Superior Chevrolet is one of the largest volume Callaway Dealers in the US. They had about 50 Callaway owners for a BBQ, a nice presentation/unveiling of the 552 horsepower Callaway Camaro Convertible and the reuniting of Dave, his crew chief, Garland Wilson and his sponsor, Randy Stafford (former KCR member and race driver) and the current car owner, Jay Stahl. KCR member Willard King stopped by since he is a friend of Dave's. Mike said that Dave was absolutely thrilled with the attention the car got and it's something our customers will talk about for a long time. He also said how cool it was that after 46 years the car, driver, crew chief and sponsor can all get back together and reminisce about racing. He wonders if the future Superior Chevrolet owners will want him and Jeff Kopp to come back for a reunion around 2054??? That sure seems like a long time from now!! A little known fact about Reeves is that he won the SCCA Runoffs in Formula Vee in 1979 (?) but didn't make it through the tech shed. Oops!! Thanks Mike, for a great article.

I must apologize to Shawn & Holi Hill for not getting their anniversary in the May listing of Checkpoint. I only found out that they were married on May 31st, 2003 after the newsletter went to "press". Congratulations to a great couple.

Kylee Timberlake, granddaughter of Ken Ragan is playing softball for Bonner Springs (KS) high school. One week she hit a home run over the fence. Then on April 19th, she hit a grand slam that won the game. Kylee will be a senior next year. Grandpa is mighty proud of her!

Charlie Williams took "Mom" and daughter-in-law Cheryl Williams to Union Station the first of April to see the "Diana" exhibit. They met their daughter, Betty Ruckman and her family (Anna, Natalie & Matt) at Crown Center for lunch then they all went over to see the exhibit. On display was the fabulous wedding gown with its 25 foot train plus several articles from Diana's childhood and her adult life. There was a video of the famous wedding and also one of the funeral. It was a very enjoyable afternoon.

Ken Keith is working on getting his CPR certification through the Asbury United Methodist Church at 75th & Nall. Ken spent a week in Florida recently taking training to become a Stephen Minister for the church. This is a caring ministry.

Bob Bornkessel was highlighted in the KC Star Magazine in April. Bob can be seen at our local solos driving his 1995 Dodge Neon ACR in F Street Prepared. Bob attended Shawnee Mission North High School some 44 years ago and as a student and All American Athletic, he held 3 national high school track records one of which stood until 2003. In 1967 he ran the 200 meters in a converted time (yards was the measure used at the time) in 21.5 seconds.

In 1968 he set the school's 300 meter intermediate high hurdles record at 36.49. And his time of 49.8 seconds in the 400 meter intermediate hurdles was not just a world record for his age group - it was only .7 seconds behind the overall world record holder, who was 10 years older. In 1968 he competed in the Olympic trials in Lake Tahoe, CA and finished 10th. He earned a full scholarship to the University of Kansas, where he & his teammates won a national track and field championship. After college, Bob simply stopped running. He figured he had jumped over a quarter million hurdles in his lifetime and that was enough! He taught a middle school science class for 4 years then became an expert in industrial safety. He says that he sometimes even goes back to North, just to check to see if his record still stands. And yes, it is still there!

On May 30th there will be a big celebration at the Community Center in Maple Hill, KS when 150 years of marriage will be acknowledged! Ken & Char Keith will celebrate their 40th wedding anniversary, Char's uncle & his wife will celebrate their 50th wedding anniversary and Char's aunt & her husband will celebrate their 60th wedding anniversary! WOW!! Relatives will attend from many states and also from England. Congratulations to all of these great marriages.

DON'T LOOK BACK.....

PLEASE CALL "MOM" WITH YOUR NEWS. YOU CAN REACH HER BY PHONE
913-262-6300 or by mail 2701 West 47th Street, Shawnee Mission KS 66205
or by Fax 913-262-6719 or by email kcmomwilliams@aol.com

STREET SURVIVAL SCHOOL APRIL 23

MCC INDEPENDENCE, MO

"This is awesome!" "I really learned a lot!" are some of the comments from students and parents who attended the April 23rd KCRSCCA Street Survival school held at the MCC Precision Driving Course in Independence. There were 29 students, each paired with his or her private instructor. Also in attendance were many volunteers who kept the event moving along well by "shagging" cones. The program is very rewarding, the students making huge advancements in both car control and confidence behind the wheel. These are all young drivers who are able to experience extreme driving conditions in a controlled environment. The BMW Club of Kansas City is hosting another school in October of this year. Further details to be available in the future. Plans are already being made by KCRSCCA to host another school in April of 2012. A huge "Thank you" to all the students, instructors, volunteers and parents who attended and helped make this year's Street Survival School a huge success.

~Article submitted by Mike Hill

RESULTS FROM THE APRIL 30 MAY 1 KVRG

Races at Heartland Park in Topeka, Kansas

Thank you to Charlie Clark for forwarding these to the checkpoint. Results are listed for KCRegion members only.

GR 2 Race April 30

PIC Class

3	SRF	O.L.Kinney, Jr.
4	SRF	Kirk Collier
5	SRF	Marc Wilson
7	SRF	Frank Stone

GR3 Race April 30

3	F5	Timothy Friest
3	FV	Bill Johnson
5	F5	David Vincent

GR 4 Race April 30

1	STO	Mark Kirby
2	STO	Matthew Miller
3	GTA	Keith Moody
1	SP	Chris Stevens
1	EP	Meredith Pritchard
2	EP	Justin Pritchard
3	EP	Charles Davis

3	ITB	Jason Whitney

Note from the Editor: After publication of the May checkpoint, it was brought to my attention that the aerial shot of the MCC Precision Driving Course in Independence and the photo of some of the instructors for the Street Survival school on April 23rd were shown courtesy of Jim Wheeler. Really appreciate his contribution to the checkpoint and look forward to his continued submissions. Thank you Jim.

SOLO SPOTLIGHT

– Formula Junior Program...Where Dreams Begin

by Mike and Donna Hill

"Dad, you race...why can't I? When can I race? When do I get to drive? Da-a-a-ad????"

Sound familiar? Or, do you just want to be able to introduce your child or grandchild to motorsports activities firsthand? Either way, the SCCA solo program may have just what you're looking for with Formula Junior classes, allowing kids ages 5 through 18 a place to compete.

The program is made up of three classes (plus parallel ladies' classes): FJA, FJB and FJC.

FJA (12 to 18-year olds) touts karts that are powered by a Yamaha 100cc engine or Briggs Raptor and World Formula. The karts are only allowed a single rear brake and have weight minimums depending upon the kart. Jordan Hill has driven in this class for three years, bringing home regional and divisional championships each year, Kansas City region rookie driver of the year, and a fourth place trophy his first year at Nationals. Also moving up through the FJA ranks were Larissa Bell and Eethan Watts, who are now avid solo participants in a Miata and Mustang, respectively.

FJB (8 to 12-year olds) compete in the same kart as the FJA class but must run restrictor plates available from SCCA.

FJA and FJB classes run during a solo event. The FJA/B kids all run in same heat and are usually the first off in the heat. They take one run, return to their grid (separate from the adult cars, for safety) and wait for the adults to take a run. In the past, a junior kart driver ran all of his/her runs consecutively – with no break in between. Several years ago, the format was changed to give the younger drivers some time to let the adrenaline settle a bit, and to get some coaching and encouragement. Parents and young drivers all seem to benefit from this arrangement.

FJC (little tykes ages 5 through 8) karts are considered kiddie karts with Comer 50 /51cc engines at 2 hp. This class is run BEFORE the event and after the drivers' meeting. The FJC kids run all of their runs consecutively. Workers are asked to help these little ones out on course, giving directional signals as needed and always welcomed praise and encouragement. Zander Hesscamp, 7, is our inaugural competitor in the class.

The kids (FJA, B and C) all participate in course walks with the Youth Solo Safety Steward, the drivers' meeting, and age-appropriate work assignments. Not only are your kids learning to "drive" and get a feel for motorsports, they're learning responsibility and good sportsmanship, while spending a Sunday with you. So, go ahead. Karts are pretty easy to come by and reasonably priced. A few quick searches online will get your kiddo ready to roll!

FOR TRIVIA LOVERS EVERYWHERE

Current Guinness World Record Holders May 21, 2011

Fastest car powered by dry cell batteries was set by the Oxyride Racer on August 4, 2007 in Japan with a time of 65.83 MPH

Fastest car on ice was set in Finland by Janne Laitinen on March 06, 2011: 206.05 MPH

Fastest slot car was set by Dallas Campbell in the United Kingdom on June 06, 2006. He guided a Honda F1 replica to a scale speed of 983.88 MPH

The fastest production car set its mark in Germany at the Volkswagen Proving grounds in Germany on June 26, 2010. It is the Bugatti EB Veyron 16.4 super sport. 267.86MPH

The fastest car driven blindfolded record is currently being held by Melin Senturk. He drove the car on an airport runway in Turkey on March 31, 2010. He was driving a Ferrari F430. 182.03MPH

And for all racing enthusiasts:

The fastest time to do 10 donuts (spins) is held by Terry Grant of the United Kingdom. He set the record at the Autosport International Show on January 07, 2006. Time: 14.81 seconds.
