## **YAKETY YAK . . . .**

Dear Mom:

Mom just received Alexandra Clark's running update! She has competed in several 5K and 10K events this summer, ending with personal records of 25:40 for the 5K, which is an average of 8 minutes & 17 seconds a mile for 3.1 miles, and 53:11 for the 10K, which is an average of 8 minutes & 30 seconds per mile for 6.2 miles. Her first half marathon will be the Kansas City Marathon/Half Marathon on Saturday, October 15th. As a first attempt at the 13.1 mile distance, she is looking for a 2 hr & 10 minute (9 min, 55 sec/mile) time or lower. Her longest training run has been 12 miles, which she averaged 9 minutes & 40 seconds a mile including water and traffic stops. She said she was pretty worn out by the end, though! She is already registered for two more half marathon events - one of which she will run with her best friend from grade/high school (Stephanie Bingman Kice) out in Las Vegas on December 4th. The second will be April 2012, the Kansas City Rock the Parkway Half/Marathon. Training requires that she run at least 4 times per week and she is generally running about 20-25 miles per week. Nutrition is a big deal in the last two weeks (which began Sunday, October 2nd). She has reduced her coffee intake, increased her water intake and completely removed fast food and alcohol from her diet. Alex said that many people feel that the 13.1 mile distance is the perfect running distance for competition....guess she will find out soon! Good luck Alex.

Bob Henson retired on September 23rd from the Independence Power & Light Company after 40 years! He plans on first having a retirement party at his home then he will begin "his life of leisure". Bob & Linda live in Lee's Summit, MO with their children, Danielle & Robert.

While visiting with Bonnie Haupt at the club picnic, she told "Mom" that three of her son-in-laws were not born in the United States. One was born in Turkey, one in Mexico and one in England (that would be Justin Pritchard who is married to Meredith) and of course we cannot forget Chuck Clark (who is married to Alex) who was born in good ole Kansas City.

Phil Hemes, Curtis Farley & Shane Bennoch (who resides in Springfield, MO) recently returned from a trip to England. While there they went to the Festival of Speed which is held on the grounds of Goodwood House in West Sussex, England. This is an annual hill climb featuring historic motor racing vehicles. Visitors (which normally number 100,000 daily) for the 3 day event can see cars & motorbikes from over 100 years of worldwide motor racing history. Curtis said just walking thru the parking lot was fabulous!

Ellen W Wolf is honored to be the Solo Featured Artist of this season's Autumn Art Affair in Parsons, KS - especially because Parsons is her home town and her mother still lives there. The Historic Carnegie Library has been fully restored and proudly serves as The Carnegie Arts Center and home to the Parsons Arts and Humanities Council. The opening reception will be October 18th and the show runs thru October 29th. It always coincides with a performance of the Parsons Area Concert Association, this year featuring the award-winning, New York comedy troupe, The Water Coolers". Ellen will have 36 constructions, paintings and mixed media works on display. Congratulations, and what a honor. And FYI: Parsons - the little town with the big attitude - has just contracted with Stan Herd to create two large stone sculptures at Tolen Creek Park, adjacent to U.S. Highway 400.

Former KCR member, Brook Channing Noah passed away September 15th, 2011 in La Jolla, CA. He participated in SCCA Sports Car events when living in Kansas City and won a Midwest Divisional Championship. He moved to California in 1967. He was also an avid private pilot for more than 30 years. His daughter, Deborah lives in Mission Hills.

# APPLE PICNIC

## KANSAS CITY REGION ALL CLUB ANNUAL PICNIC

October 1st was a great day for the club's apple picnic at the King farm. Although Willard had taken his Chevrolet coupe to Illinois for a car show, his guys, Jimmy, Scott and Paul were a big help. The barn was decorated with apple wreaths and the tables with baskets of apples. Forty five members arrived with items for REAP and delicious food to share. Brian Haupt brought his famous potato salad and the grills were hot and ready for cooking.

Lorena Irvine won the apple jar of candy with the closest guess (hope her boys will share with her).

There were donkeys braying, grandkids fishing in the pond, walks to the barn to see old cars and lots of "Run-off" conversations. Alex Clark had fun stories about impound with Justin & Meredith Pritchard. Justin won first place in EP class. Roll-over Jim Wheeler brought his lap top to show his roll over at Canada corner in qualifying - something about a brake problem. He was able to run the race and finished 7th.

Right before the give-a-ways everyone went outside to see what that flash of red was. Phil & Nick Hemes arrived in Phil's new Ferrari. I said I would take it for a slow drive and everyone laughed, so Phil didn't let me drive it. Tony Giordano did take my picture standing by it, which matched my red shirt.

Some people got away before the give-a-ways, but Brian & Bonnie Haupt couldn't get away, the Mercedes would not start. Guy Watney came to the rescue with tools in his van.

The give-a-ways were apple items - Applebees gift cards, applesauce, apple butter, apple cereal and apple juice. Speaking of apple juice here is the joke I told,

A frog walks into a grocery store and asks, "Got any apple juice?". The clerk says, "No". Next day, the frog comes back and says, "Got any apple juice?" The clerk says, "No" again. The next day, the frog comes back and says, "Got any apple juice?" The clerk says, "No! If you come back and ask that again, I'll nail your feet to the floor!". The next day, the frog comes in and asks, "Got any nails?" The Clerk says, "No". "Good", says the frog, "Got any apple juice?"

Ellen Wolf read apple trivia. Did you know that the largest apple grown weighed three pounds? Did you know the five most popular apples grown in the US are Red Delicious, Golden Delicious, Gala, Fuji and Granny Smith? Did you know that apples are grown in all 50 states?

Thank you to the following: Alex & Chuck Clark for use of their grill and to Chris Kern for bringing it to the picnic and taking the grill back to the Clark home. Ken Ragan for getting the beer. Charlie & Norma Williams for bringing the beer, coolers and all of their help. Brian Clark for drawing the tickets for the give-a-ways. Chance Kern for helping load up our trailer & pickup and for walking my dog, Holly. Ellen Wolf for reading the apple trivia. Charlie Smith for helping his wife. Willard King for the use of his barn. Jimmy, Scott & Paul for getting the barn ready for the picnic and putting out the signs. And a BIG THANK YOU to all for attending the picnic.

A fun time was had by all.

Sharlene Smith, picnic chairman
