YAKETY YAK

Dear Mom:

In April Suzanne Berger had a mild stroke. She was driving her car and went off the road in Atlanta, GA. She called Tara and Tara recognized the symptoms and sent her to the ER by ambulance. The doctor said quick action by Tara probably kept serious problems from occurring. She has a 50% clogged artery on the left side (to the brain) and a 80% plugged artery on the right side (from the brain). She was to see a vascular doctor but was sent home from ER in good spirits and hopefully for a complete recovery. Then on May 10th she had another mild stroke and went back to the ER. After some tests she was sent home with instructions to see her doctor and another cardio/vascular doctor. Her doctor changed her diabetes medicine (again) and she was scheduled to see the cardio/vascular doctor on May 14th. We have not heard any more news from Dick since then. But Dick did say that she is on medical leave and she has told her boss she will be retiring on the 31st of May.

Brittney Williams, who is residing in Encinitas, CA has spent the last week in Kansas City, visiting with family and friends. Sunday, Grandpa & Grandma Williams entertained with a BBQ at their home for all the clan!

Hayden Hunter, a junior at Hughes Springs (TX) High School finished 2nd in the boy's singles Regional Tennis Tournament held at Tyler, TX in April. He took the silver award and is now qualified for the Texas State Tournament. It will be held at Texas A&M University at College Station, TX. Hayden, who will be 17 years old on the 12th of June is the grandson of Charlie & Sharlene Smith.

Our condolences to the family of Steve Fenske, who passed away on May 13th at the age of 58. Steve was the owner of Midwest Spec Racer, which was located in Tire Building 1 at Heartland Park Topeka race track. Steve's passion was working as a mechanic and road racing sports cars. He designed and built his own prototype race car from the ground up and named it the Fenske G2. There was an all-day celebration of Steve's life at his shop at HPT on Saturday, June 1st (the KVRG race weekend).

DOUBLE-HEADER AT HEARTLAND PARK, TOPEKA

IndyCar wasn't the only racing series doing a double-header last weekend, the Kansas City Region and the Kansas Region of the Sports Car Club of America held a joint double-header event at Heartland Park Topeka. While the Kaw Valley Race Group played on the road course, we held a Solo event on Saturday and Sunday on the south lot, a nice wide-open swath of asphalt that was a nice departure from the confining orthogonal grid layout at our usual site. This joint event was also our Military Appreciation Weekend where members of the armed forces were invited to come out and join us at a discounted entry fee. The Kansas City and Kansas Regions shared in the administrative duties with Kansas City Region member James Cahill chairing the Saturday event and Kansas Region member Frank Weitharn chairing Sunday's event.

There was a good turnout with 69 contestants on Saturday and 78 on Sunday. Over the two days, there were 90 unique drivers that came to compete from the two regions. In addition to the competitors, there were also a few spectators, and Heartland Park was kind enough to provide a section of bleachers overlooking the large sweeper corner on the East end of the circuit. It also turned out to be a nice vantage point from which to view the club racers that were competing on the road course that weekend. On Saturday, we had chamber-of-commerce weather with broken skies and temperatures in the upper 60s. Sunday started out rather different with overcast skies, stiff winds, and temperatures in the 50s. As the day progressed, the skies cleared and the temperatures rose back into the 60s, but for the Heat 1 folk, the surface was cold and slick.

"The event was a great one. A real joy to be out on a big autox pad where we can really exercise the true ability of our cars. From big offsets, to long slalom, to many large sweepers. HPT gives us something we can't get at MCC. It is a must try for people who are looking for a taste of a true national level site with great course designs by Ron Williams. I was truly impressed with the course this weekend. The best course I have seen at HPT and even more fun than some of the National courses I have raced. It really flowed well in both directions. The Mini felt really well and everyone in heat 1 was raving about the excitement the big open course was able to deliver. Finally I got a Podium PAX finish. And I believe against some of the hardest people I have faced on a big national course. I was very pleased all around with the course." -- Jeremy Salenius, Dare2Dream Motorsports

Saturday: Event #4 Summary

When the last run was taken on Saturday, it was Ron Williams sitting on top of the PAX times in his BSP 1992 Corvette. His raw time of 51.686 sec was bested only by Todd Hesskamp who completed the circuit in his shifter kart in 49.964 sec, the only sub 50-sec time of the day. Second place in PAX was taken by Greg Reno in his Road Tire H-Stock 2010 MINI posting a strong raw time of 57.046 sec. Rounding out the PAX podium for Event #4 was Doug Hitchcock in his new blue 1998 BMW 328is, aka Shifty, with a raw time of 55.119 sec.

Sunday: Event #5 Summary

Sunday's results were a little different, with the challenge of running the course in the opposite direction as Saturday. It made a number of elements that were straightforward on Saturday, a bit trickier. Ron and Greg still claimed the top two spots, although they did switch places. Greg topped the PAX charts for Event #5 with a raw time of 56.185 sec and Ron secured P2 with a raw time of 51.647 sec. Ron's time on Sunday was a 0.041 sec improvement over his Saturday time, but Greg improved by nearly a full second, making up enough time to put him ahead of Ron. Jeremy Salenius improved his time dramatically on Sunday, running a second and a half faster in his Road Tire D-Stock 2008 MINI, to finish the day on the PAX podium in P3.

Championship Standings

We're nearing the halfway point in the championship with five of twelve events in the books. In the new PRO class, Mark Hill in his Jayhawk Motorsports STU 2006 Mitsubishi "E-voh" IX overtakes Craig Wilcox for the lead, posting class wins in both Event #4 and Event #5. Hill now leads Wilcox 420 to 300 with Greg Cheney sitting in third with 280 points. Hill also leads the overall PAX championship with 487.37 points, just slightly ahead of Salenius with 485.51 points. There are tight battles all throughout the various classes, especially in the new Road Tire classes. The Road Tire RWD battle is especially tight as Rygh Galloway and Christian Els are having their own private knife fight at the top, the two separated by only 10 points after five events.

Next up is the Solo School this coming Saturday at the Metropolitan Community College Precision Driving Center, and Event #6 at MCC on Sunday. It will be a fun weekend of dodging cones! Come out and join the fun!

TALLY HO DOUBLE RATIONAL - IT - PDX -VINTAGE WEEKEND

12 hours of Heartland Park! Welcome to the longest day of racing that we have seen or worked for a very long time! I would like to take this time to thank everyone who helped to make this event happen.

Starting with

The KVRG board for setting up a event that would allow the members to I hope enjoy the weekend with plenty of track time and good times.

The Event Chairman for all the hard work in making this event run as well as it did.

All of the course workers (Corners, Course Marshall Starters, Stewards,Pits and Grid, Tech, T & S, Registration, Hospitality for their hard work and long hours on both days.

Special thanks to Donna Cross for setting up the lunches and what many people thought was one of the best Saturday night dinners in a long time (Sorry it was so late) and to David Vincent for setting us up with High Noon Saloon for the Friday and Saturday night beer A very special thanks to Hendrick Chevrolet and Mike McGinley for all the support for this event and for the work that Mike and Jim Wheeler put into the PDX Part of the event.

I know I have missed someone and for that I am sorry!

Thanks again to everyone who helped with this event!

CHECKPOINT is the official publication of the Kansas City Region Sports Car Club of America. Any opinion expressed is that of the authors and is not necessarily the opinion of the members of the Region, its officers or the CHECKPOINT staff. By publishing advertising in CHECKPOINT the Kansas City Region does not endorse the products of service advertised. Permission to reprint all artwork, photographs and articles published in CHECKPOINT is given to all SCCA regional publications and to SCCA's Sports Car Magazine, provided full credit is given to the author, CHECKPOINT and the Kansas City Region SCCA. Deadline for submission to CHECKPOINT is the selected General Meeting date.
