Words from Chris, our RE:

Here's hoping everyone had a great Christmas and a safe new year.

I want to get these ideas out for everyone to start thinking about!

I would like to see the board form a few committees this year to work on the following:

Ops manual\Bylaws:

I think we need to look into updating our Ops manual as this has not been done in awhile! I also would like to see some changes to our Bylaws to include Electronic elections and the possibility of making the treasurer and secretary positions appointed.

Nominating:

This one needs to get a early start this year! I think we need to get started now as for the first time in a long while we will be looking to fill both the RE and asst. RE positions plus Three or more board positions depending on how the numbers fall.

Social:

I would like to see this committee come up with one event per quarter! Maybe things like another wine rally, go carts, picnic, getting together to watch the 24 hours of Daytona, the Daytona 500 Formula one, runoffs, awards banquet!

Membership:

This committee will keep track of our current membership base and report that number to the board. They will also need to follow up with any weekend or temp. members to see if we can get them to become full members. Some of this information comes out of the national office each week another way to get this will come from the events we have. Event chairs need to give us all the names! I would like to see this group work with the social committee to help come up with ideas to bring in new members.

Archives:

This one is going to be a big under taking as we have a lot of history that needs to be cared for!

I would like to see these committees made with one person from the board (**volunteers**) that will report back to the board at every meeting and two people from the general membership in hopes that we can get more people involved in our club activities!

2014: A YEAR OF ACES by Jessica Dorn

FRESH FACES

Chris Kern took over as our Regional Executive. He wanted to focus on events where we can get to know our current members and get a chance to meet our new ones. With some new events like the Hallo-wine-e Rally and the addition of our members getting to share their short race videos at the monthly general meetings, he has set the stage for more member-focused events in the future.

Neava Ford stepped in as our Assistant RE. She had a busy year representing KCR SCCA as she was the chairperson for the MidDiv Convention, not to mention the many other events she attended.

We welcomed Donna Cross, Brad Smith and Dave Vincent to the Board of Directors. Jeff Bartz, James Cahill and Jeremy Salenius were voted in for Solo Advisory Committee.

We also welcomed the new SCCA National President & CEO Lisa Noble.

OFF TO THE RACES

CLUB

Club Racing had 1 local event this year as KVRG hosted the final round SCCA Mid States Majors Race August 30-31 at Heartland Park in Topeka. While there was only 1 local event, club members travelled across the country as they competed in the Mid-Am Series and Majors events. KCR was well represented in the Mid-Am Series with 10 champions and 4 podium finishers (see results below).

Club Racing hosted the CFR School, better known as Crash and Burn School, at Heartland Park in Topeka on March 15. They also were vital as volunteer workers for the IMSA event at Kansas Speedway on June 7.

SOLO

Solo had 13 events this year – 9 were held at MCC and 6 were weekend double-headers at HPT in conjunction with Kansas Region. They started their season with a Test N Tune April 5 followed by the first race April 6. In addition to the autocross events, they hosted 2 Novice Schools April 12 and July 26 at MCC, a Street Survival School May 31 at MCC, and Tire Rack Starting Line School June 28.

Solo Nationals were held September 2-5 in Lincoln, NE. The Kansas and KCR had 48 racers compete at Nationals with 12 winning trophies (see results below).

The annual **Halloweenie** event was held October 26. The event proceeds were donated to Pedal the Cause out of St. Louis. There were races, costumes, grilled goodies and a silent auction to benefit Pedal the Cause.

KCR Solo adopted a new class – Classic American Muscle. It was based on the National guidelines, even though CAM was not a National class yet. The new class created buzz and interest bringing out new cars to solo events.

RALLYCROSS

Rally Cross had 4 events this year and introduced a new site. Rally Cross kicked off their season on July 19 at Thunder Valley Sand Drags in Grain Valley. Eighteen competitors came out to test out the new venue, which was a flatter, smoother site – making it more street car friendly. They were back at Thunder Valley on August 24 and September 21. Leonard's Farm in Garnett was the location of the final event on November 2.

Rally Cross Nationals were held October 4-5 at the new venue of I-80 Speedway in Greenwood, NE. The KCR group had 4 competitors with 2 of them winning trophies (see results below).

ROAD RALLY

Road Rally had their 2 annual rallies as well as introduced a new social rally this year. The Kansas Winter Rally had to be moved back to March 22 to avoid a winter storm warning. The rally was 100 miles and had 12 cars competing. Lori Goetsch and Martin Courtois took 1st in the Experienced Class. Mark and Judy McCoubrie won the Beginners Class.

On October 25, we introduce the Hallowine-e Rally. The gimmick, no-points rally had 20 participants that were navigating their way to 3 local wineries for wine tasting.

The eighth annual Kansas Rally Weekend was held November 8-9. The East to Easton Rally began Saturday with 17 teams driving the route from Lawrence to Atchison. Jack von Kaenel and Jim Duea won the Expert class, Albert Weaver and Marty Courtois finished first in the Experienced Class, and Peter Monshizadeh and Lindsay Pruitt won the Beginners Class on Saturday. The Kansas River Run Rally began Sunday with 8 returning teams starting in Lawrence and driving a scenic route with unpaved roads. Randy Gregg and Doug Patterson won the Experience Class, David and Aracely Tung won the Beginner's Class. Jack von Kaenel and Jim Duea finished first overall for Expert Class, and Albert Weaver and Marty Courtois were first overall for Experienced Class.

TIE UP THE LACES (loose ends)

Mike and Donna Hill along with Chris and Annie Berg of Topeka were invited to Fontana

Speedway in Ontario, CA in May. They spent their time on the track testing and comparing different tires against Michelin's Premier A/S tires.

Jeff Bartz was selected by SCCA National to be the face of their marketing campaign and was featured in Sportscar Magazine.

We celebrated the 2013 season at the Annual Awards Banquet at the American Legion on January 18, 2014.

The MidDiv Convention was held in Springfield, MO January 31 – February 2. The KCR SCCA was well represented as Neava Ford was the chairperson, Al Hermans and Charlie Clark hosted seminars, and Justin Walker was the MC for the awards banquet.

Our very own Charlie Clark was awarded the 2013 John McGill Award for significant contribution to the Club Racing Program while at the National Convention.

KCR unveiled the new live timing and scoring this summer. Competitors and spectators could keep track of times by going to timing.kcrscca.org.

KCR Karting & Shenanigans

The race season was over. The cones were picked up from Halloweenie, and we stopped at a bar for a celebratory drink. A pirate, a crazy chocolatier and a Wonka bar walk into a bar....yep, that was us!

After a couple weeks of restoring the Mini to a more “comfortable” ride – replacing the extremely stiff shocks with the more forgiving ones and adding in the cushioned, reclining seats – he was already talking about what was next. Maybe an exhaust. Definitely a tune. Maybe lighter wheels. I had less than 3 weeks of non-race talk. For me it was a needed vacation. For Jeremy it was torture.

He wasn't the only one with an itch for racing. Whispers were turning in to grumbling. The words on the forum were put into action and a date was set. KCR Karting & Shenanigans would begin on a Wednesday night in December at Sadler's. We came in like pros, bringing our own helmets, neck braces and cameras.

A much larger group showed up than I could have imagined – a total of 14 members and friends. And of course it couldn't be “just for fun” – a scoring index was created and results were tallied. Other than the much welcomed camaraderie that the group provides, there was also some notable moments. Brad Smith forewarned me that he was going to “throw me into the wall” and within the first few laps of race 1, he did just that – no mercy. Jennifer Brown had two huge wrecks – one with James Cahill that cost them a whole lap of downtime and one with Jeremy Salenius where the steering wheel came out a little bent.

The party wasn't over just because the karting was done. We gathered at The Other Place for a bite to eat and a drink. Even though I thought I needed a break from racing, karting was just what I needed to pull me out of the winter blues – I guess I missed racing more than I expected. We will be back at Sadler's Wednesday, January 14 at 7:00 pm. Watch the forum or Facebook for any updates.

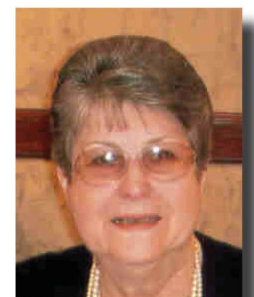

By Jessica Dorn

Yakety Yak...

Dear Mom:

Congratulations to Jeff and Laura Bartz on the birth of their first child. Lillian Bartz was born on November 13, 2014 at 3:01. She weighed in at 7 lb 14 oz and was 20” long. The happy family reside in Overland Park, KS.

The year 2014 was the first year that Paula Diehl decided to show buckskin horses rather than palomino horses as she has done for the past eight years. She purchased Justa Gold Bars, a 12 year gelding, who had been in pasture for the past two years. Previously he had been shown with only limited success. Purchased in April, she took him to the American Buckskin Registry Association World Show in

July. At that show, they were crowned World Champions in Hunter Under Saddle, Hunt Seat Equitation, Showmanship and Reserve in Horsemanship. On the basis of these wins, they were invited to the Color Breed Congress held in November in Tulsa, OK. This is an invitation only event, welcoming Buckskin, Palomino, Pinto and Appaloosa horses. After competing for a week, Paula and “JB” came home with a Championship in Hunter Under Saddle and a Reserve in Hunt Seat Equitation, also winning the Snaffle Bit Association Championship.

On December 7th Charlie & Mom Williams attended “Clara’s Dream and a Holiday Musical Revue” at the Blue Valley North High School. This was the 10th anniversary show for the Miller Marley Youth Ballet. Performing in the Kingdom of the Sweets was their granddaughter, Isabella Williams. She was a beautiful angel and did a wonderful job. Isabella is the daughter of Keith & Cheryl.

Dave Vincent has a new “toy”. He recently purchased a 1987 Porsche 944S, which he plans on using as his street car.

Dave & Elisabeth Vincent entertained their son and family from Chicago, IL over the holidays. Son Andy, his wife Megan, and the darling granddaughter Amelia spent 1 week in Leavenworth. Amelia, who is 1 year old was sure spoiled by the time they went home according to Grandpa. He said she didn’t even have to walk anywhere since someone was holding her all the time.

Charlie & Sharlene Smith & the two puppies, Ginger & Pepper drove to Allen, Texas to spend New Years with their cousins Diana & Vaughn Corban. They spent 4 days visiting with several relatives. Grandson, Hayden Smith spent New Years Eve day & night with them and then Grandson Hunter Smith spent New Year Day & night with them. Hunter had been playing in a basketball tournament. Also visiting were the Corban’s daughter & her family which included their daughter, 2 year old Lily. Sharlene said the two puppies were great travelers, they spent most of the travel time napping.

Our condolence to the family of John Muller, a former KCR member. John, 64, passed away unexpectedly November 5, 2014 at his home in Marina del Rey, CA. John spent many years collecting, restoring & racing vintage automobiles.

Our condolence to the family of Dean Manion. Dean died December 24, 2014 at the Shawnee Mission Medical Center. He lived in Grain Valley, MO and had raced a MGB a few years ago. He was 65 years old and was battling cancer.

don’t look back.....
