Words from Chris, our RE:

First I would like to thank everyone who worked on our awards banquet Lisa Kern, Neava Ford, Donna Cross, Charlie and Norma Williams, Sharlene Smith and our MC Justin Walker!

I would also like to thank our sponsors Hendrick Chevrolet, Ragan Enterprises and KVRG **I know there is more but I do not have the list yet**

I also need to thank all the people that donated all the great stuff for the silent auction that benefited Sunflower House.

Shortly after the banquet it was time for the Midiv convention in Topeka. We had a good turn out from around the division. The seminars had a lot of good information for the upcoming year!

Two weeks later it was time for SCCA's national convention in Charlotte where we heard a lot about how the national office is working on ways to make it easier for us to put on events and ways for us to bring in new members!

As a region I know we are looking hard to bring in new members and our committees are working hard to come up with ideas to bring new members into the club but as important as that is I think it is just as important that we find a way to keep them in the club and involved and with that said we are still looking for members that would like to join one of the committees to help us with our goals.

Chris Kern

Congratulations Jamie Grimm for WINNING the 2014 TRIVIA QUESTION CONTEST correctly and winning ONE FREE EVENT!

March Trivia Question:

**Who was the first winner of the Mary Kay Ash
Fast Female of the Year Award?**

All correct responses will be entered in a drawing to win a \$35 gift certificate towards an event of your choice. Winner will be announced at the April General Meeting and in the April Checkpoint.

Kansas City Region SCCA

2014 Awards Banquet

**All Awards Banquet Photos provided
by Doug Patterson of Patterson Prints**

The SCCA mission has been simple from the beginning—bring motorsports to those who are passionate about it. Throughout the racing season, our members have a variety of racing outlets they can explore, hone their skills and maybe even walk away champions. During the cold winter months, our memories of the racing season begin to fade as we focus on the future. We see a lot of garage time as we repair, rebuild, and rebuff our cars—or if you are like me you just bring a cold drink out and nod your head as if you understand.

It is refreshing to gather again and rekindle our passion for racing throughout the off-season. That is what makes the Awards Banquet so fun. On January 17, members were able to enjoy a night of camaraderie with fellow racers and reminisce about the past racing season. Long-term members were recognized, new members were welcomed, and top racers were applauded as they picked up some nice hardware for their trophy case.

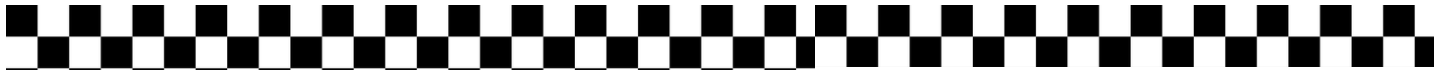

Check out a list of honorees and winners, along with some pictures of the banquet on the next few pages:

Chili Cook-off & Car Show

The American Legion is hosting a chili cook-off August 8. The event begins at 9:00 am. They would like us to come out, taste some award-winning chili, and bring our cars to share about SCCA. Cars should plan on showing up around 11:00 am.

2015 RallyCross season begins on the Spring Equinox

The 2015 Kansas City Region SCCA RallyCross program begins its second full season of operation on the Spring Equinox at Lenard Holsworth's farm south of Garnett, KS. We have approximately eight acres of pasture in which to play, and if we can start early enough, we'll try for at least ten runs through the day.

Schedule:

- Site opens at 07:00
- Tech & Registration open at 08:30 -10:00
- Drivers Meeting at 09:30
- First Car Off 10:00

\$35.00 for SCCA member / \$45.00 for non-members (which includes a weekend membership that has perks with the SCCA)

Registration will open on February 21st on MotorsportsReg.com.

Bring a lunch, snack, and water. There won't be enough time over the break to run to Garnett for lunch, so pack a cooler. Be prepared for any type of weather, especially this year!

Coordinates for the site are approximately

38 degrees, 7 min, 26.90 sec North

95 degrees, 8 min, 15.66 sec West

The nearest intersection is Texas Road and SW 700th Road. I took US 169 south of Garnett to US 59/Route 31. You will want to allow 1.5 to 2 hours travel time, depending on where you are coming from. This is property of one of our long time club members, Lenard Holsworth, please contact him if you plan to camp out.

2014 Kansas Rally Weekend a huge success

By Rich Bireta, photos by Doug Patterson

The eighth Kansas Rally weekend was held November 8 and 9, 2014. This year's Rally Weekend was the best ever due in large part to the great set of volunteers I had helping out this year. I mentioned these folks after the events, but a "Thank You" bears repeating to (and not in order of importance):

- Derrick Carpenter for serving as safety steward for Saturday and for working checkpoints both days. Derrick's role as utility infielder for the weekend really helped things run smoothly.
- Marty Courtois, Albert Weaver, Dan McConnell, Anne Marie Stevenson and Kyle Rohde for working checkpoints,
- Adam Miller and Albert Weaver for checking Sunday's event,
- Dan McConnell for yet another great job in pre-event promotion,
- Kansas Region RE Linda Duncan and SCCA VP of Solo and Rally Howard Duncan worked checkpoints Saturday,
- Anne Marie Stevenson and Devon Shipman for ably running registration on Saturday morning, enabling me to see to the many last minute details,
- Bruce Betting ably handled the starter duties, preventing a mass exodus from the school.

Jack von Kaenel conducts a pre-rally Seminar

National SCCA competitors Ron Ferris from St. Louis and Bruce Gezon, who made the trip from Murraysville, Pennsylvania, Jim Duea who came from Oklahoma City ran with Jack von Kaenel who came from North Carolina. Bruce and Charlene Bettinger made the trip from Wichita for the event. Bee and Theresa Bao came from Ardmore, Oklahoma. Candy and Jan Gerber drove down from Omaha for the event. (Happy Birthday, Candy and Happy Anniversary!)

East to Easton Rally-Saturday

A total of 17 rally teams started Saturday's event from Prairie Moon School and Grant Township Community Center north of Lawrence. The rally route used all paved roads to get from Lawrence to the finish in Atchison, Kansas, home town of aviatrix Amelia Earhart. Following an odometer check that ended at the Kansa Indians Historical marker, the route went west across the Lake Perry dam for a checkpoint on the west side of the lake.

Competitors' Meeting

The route re-crossed the lake and went north for checkpoint two located at the site of the Civil War battle at Hickory Point. The route then went east through the town of Winchester and then east of McLouth for checkpoint 3. Following a rest break the rally entrants headed north to checkpoint 4 at the Limit Road turnout by Easton and through a construction zone then north for checkpoint 5 located on the outskirts of Atchison where Jarod Scott, the owner of the salvage yard where the checkpoint was located, stopped to chat and take some photos. The rally teams met in the lounge of Paolucci's restaurant for awards, drinks and dinner.

Saturday's Winners

Congratulations to Albert Weaver and Marty Courtois. In their first event running together these two finished first in the Experienced class and first overall. Jack von Kaenel and Jim Duea won Expert both days along with first overall on Sunday. Peter Monshizadeh and Lindsay Pruitt won the Beginners Class.

Kansas River Run Rally-Sunday

Checkpoint 6 Sunday – Buck Creek

On Sunday 8 rally teams returned for the Kansas River Run Rally. This event featured good quality, unpaved roads. This year's route retraced much of the first half from 2013, following the Scenic River Road (aka Farmer's Turnpike) from west from Lawrence to Tecumseh. After the first four checkpoints the teams took a break at the gas station in Perry, Kansas. The post-break route went north and east for three more checkpoints including my favorite stretch of road, Buck Creek. A short transit brought the teams to the ending location, the original Johnny's on the Kansas River.

Having the rally run over good quality, unpaved roads let us put together an event that was shorter, had interesting roads, ended earlier and yet had more checkpoints. Look for a repeat of this format (paved roads Saturday, unpaved roads Sunday) in 2015.

Sunday's Winners

Congratulations to Jim Duea and Jack von Kaenel won the Expert Class and first overall on Sunday's event. Randy Gregg and Doug Patterson, running together for the first time, won the Experienced Class. Showing that persistence pays off, David and Aracely Tung won the Beginner's Class on Sunday.

Thorns and Roses

It's a tradition in the Boy Scouts following an adventure to review the areas that have gone well (roses) as well as some items that could be improved for the future (thorns). Here is my list for the 2014 Rally Weekend.

Roses:

1. The turnout. 17 Saturday and 8 cars Sunday is a great turnout. It would have been nice to have fewer "no shows" Saturday, but we fit comfortably in the lounge at the restaurant. Dan McConnell did another excellent job on getting the word out about this weekend. Thanks, Dan!
2. The Kansas City SCCA turnout. For a club whose interest is primarily autocross and club racing, it was gratifying to see 5 cars turnout from the KC Region.
3. Repeat entrants. It was very gratifying to see so many familiar faces from previous years.
4. Quick scoring. I tried some new strategies to speed scoring this year. First, I did not work a control the second half of Saturday's event. This combined with a driver (Thank You, Derrick) and a log-reader in the back seat (Thank You, Anne Marie) enabled me to have provisional scoring done by the time I arrived at the restaurant. Provisional results were sent to contestants via email before I reached the restaurant.
5. The volunteers who turned a good rally weekend into a great rally weekend. I had a lot of great help and felt comfortable delegating many tasks to them.
6. Registration went smoothly thanks to two of my daughters, Anne Marie Stevenson and Devon Shipman. Thanks, girls!
7. Pre-rally tutorial. Experienced National rallyist Jack von Kaenel volunteered to conduct a pre-rally tutorial for entrants. Jack's small circle grew quickly over time (see photo). Did it work? David and Arcely Tung won their class on Sunday, including scoring one "zero" (perfect leg) thanks to Jack's guidance. Photos. Check the KC Region website (www.kcrscca.org) for some of the great photography by Doug Patterson. All of the photos in this report are courtesy of Doug. Thanks, Doug!

Thorns:

1. One error in Saturday's instruction. Fairmount vs. Fairview roads, although this error did not seem to confuse contestants.
2. The location of checkpoint three on Saturday was not good, requiring a turn across potential oncoming traffic. We won't use this location again.

Thanks to all the competitors who came out and the workers who made the events possible. I hope to see you at another event in 2015. I am planning a February event (including a rally school), a summer event as well as the rally weekend in November. Keep an eye on the Kansas City SCCA Region web site and Facebook page for announcements.

Yakety Yak...

Dear Mom:

On the 19th of December, 2014, Mr. Daniel Theodore Cahill arrived. He weighed in at 8 lb 8.5 oz and was 19.5" long. His parents are Melanie and James Cahill and in the words of his proud father, "they are the absolute bestest parents ever". Baby Cahill made his first SCCA appearance on January 17th at our Awards Banquet.

In the January 10th KC Star, there was an article stating Hendrick Chevrolet is one of the largest Corvette dealerships in the Country! Mike McGinley, president and general manager, says that not every Chevy dealer is a Corvette dealer. You have to earn the right to be a Corvette dealer by selling them. In fact, they sold nearly 40 Corvettes in December. The new 2015 Corvette Z06 has created quite a stir at the dealership that is becoming known nationally as one of the top places to buy a Corvette. A few people put in orders for it as early as late 2013. Just before Christmas they loaded a Z06 on a truck and delivered it to

Jacksonville, FL. Mike came to the dealership in 1992, became general manager in 1998 and a partner in 2000. Mike can be seen racing his Corvette in the Sports Car Club of America's T1 road racing class.

On Saturday, February 7th, an Eagle Scout Court of Honor was held for Charlie Emerson Williams, son of Keith & Cheryl Williams. He received his Eagle Scout Award, for collecting, organizing and donating craft supplies, books, movies and other activities for Children's Mercy Hospital Oncology Department so that children would have fun activities to do while waiting for their test results. He was presented the H Roe Bartle traveling ring by Kent Egly to wear for 1 year. Kent, a former KCR member, received the ring in 1957 when he became an Eagle Scout and the ring has been presented only a few times to deserving scouts, this being the first time it has left Missouri. Charlie also was presented a certificate from the Sons of the American Revolution.

Mom, emailed our Checkpoint Editor, Barbara Garrett, today to check on her recovery from eye surgery for a detached retina last week. Barbara states "don't mess with the eyes, pay attention to them because you never can really tell what is going on. In four days my sight in right eye went from a slight shift in focus briefly, to a slight sliver that she could still see. It didn't hurt and there were none of the normal warning signs. She had a 3 hour surgery and stayed overnight in the hospital. I currently have no depth perception and can see about 35%, through gas and liquid and definitely not clearly. I returned to work on March 2nd on half days and complete healing is supposed to take 2-3 months." She said it would have been nice to miss work because of racing or vacation instead of medical issues!! Get well soon, Barbara.

Our condolence to Lisa & Gary Kern & their family on the death of her father, Melvin Schroer. He was 89 years old and lived in Belton, MO. He served in the US Army during World War II as a Paratrooper.

don't look back.....
