Words from Chris, our RE:

After the off season the club is staring the new season up with a lot of events coming up shortly! Already the first RallyCross has happened and as a first time participant, I'm here to tell you that it was a lot of fun to work at this type of event. We had 20 competitors which I think is an all time high! (way to go) The first Solo event is coming up soon on April 12th and I hope many of you will come out to join in the fun! Several Road Rallies of all types are also coming up. Please check our website and/or Facebook page for further updates. Information will also be in future issues of Checkpoint.

As you all know, we have a SCCA majors event at the Kansas speedway on June 19 – 21 (Father's day weekend). I am asking everyone in the club to please come out and help us put on the best event that we have seen in a very long time! It will take a larger number of people to make this a successful event and we need your help to put this event on. I think, in the long run, our Club will benefit greatly from this event with new members and maybe a new place to hold some of our other events.

There are MANY ways you can participate with us this year, even if it's been awhile!

See you all at the races!

Chris Kern

April Trivia Question:

Who won last year's trivia contest?

All correct responses will be entered in a drawing to win a \$35 gift certificate towards an event of your choice. Winner will be announced at the December General Meeting and in the January 2016 Checkpoint.

We Need You at the Speedway

THE KVRG MAJORS EVENT IS JUNE 19 - 21 AT THE SPEEDWAY AND WE NEED YOUR HELP. THE SITE WILL OPEN ON FRIDAY, JUNE 19 AND WORKERS ARE NEEDED TO WORK THE COURSE FOR THE TRACK TEST DAY ON JUNE 19 AS WELL AS HELP WITH TRACK WAIVERS AND SELLING GARAGE SPACES AND RV SPACES FOR THE WEEKEND. YOU CAN ALSO WORK COURSE, OBSERVATION OR CONTROL IF YOU CAN MAKE IT OUT SATURDAY AND/OR SUNDAY.

BRING THE WHOLE FAMILY OUT FOR A FATHER'S DAY WEEKEND THEY WON'T

FORGET! YOU CAN STAY THE NIGHT AND CAMP AT THE SPEEDWAY. YOU CAN COME OUT FOR THE DAY AND WATCH THE RACE. YOU CAN EVEN TAKE THE WHEEL FOR A DRIVE AROUND THE TRACK AFTER THE RACE!

Inaugural Ourally Alpine Road Rally Comes to Colorado October 4-8, 2015

Five Scenic Byways, seven major mountain passes, blazing fall colors and Victorian small town charm combine to woo car enthusiasts to Colorado for the inaugural Ourally Alpine Road Rally and Tour this fall.

Scheduled for Oct. 4-8 during the height of the fall color season, the Ourally is based in beautiful Ouray, Colo., and features over 1,100 miles of driving over five days on some of the most legendary mountain highways in the country, including Molas Pass, Red Mountain Pass, Wolf Creek Pass and Lizard Head Pass.

Some call these passes treacherous, others call them stunning. We'll let you decide. Each day of the Ourally features a unique loop drive starting and ending in Ouray. The routes trace five of Colorado's most legendary Scenic Byways, showcasing scenery ranging from rugged mountains and deep alpine valleys to sun-baked red rock country.

Along the way, rally participants will pass through over a dozen historic communities including Durango, Redstone, Hotchkiss, Cedaredge, Ridgway, Gateway, Grand Junction, Telluride, Dolores, Silverton, Pagosa Springs, Lake City, Paonia and Carbondale.

The rally also takes in natural wonders like the Weminuche Wilderness, Unaweep Canyon and the Black Canyon of the Gunnison and cultural attractions such as the historic mining districts of the San Juan Mountains, the Anasazi ruins of Mesa Verde, and the Durango and Silverton Narrow Gauge Railroad.

All funds raised will benefit the Wright Opera House, a 126-year-old performing arts venue that provides a center for the arts in Ouray.

Entrance fee is \$500 per vehicle, with a limit of 50 vehicles for the First Annual Ourally! The entrance fee will cover a welcome cocktail party and banquet on Oct 5, breakfasts each day, post tour social/ cocktail party each evening and an awards banquet the final night, Oct 8. For more information or to register online, visit www.ourally.co. Registration will be open the last week in March.

Do you have ideas that could help the Kansas City Region SCCA recruit and retain members? Would you like to help the SCCA host quarterly social events?

The KCR SCCA Board is looking for members to help with the following committees:

Bylaws/Operations Manual: We are looking for volunteers to help revise our bylaws and update our bylaws. This committee will prepare these revisions and present them to the members to vote on. This committee will also prepare an Operations Manual containing the important minutes and major decisions of the club to act as a reference and guide for future decisions. If interested in helping,

contact Jessica Dorn.

Membership: We are looking for help developing plans that will focus on recruiting new members and retaining current members. If interested in helping, contact Donna Cross or Jeremy Salenius.

Nominating: We are getting an early start in seeking nominees for the Board elections. If interested in helping, contact Charlie Clark.

Social: We are looking for help planning and hosting at least one social event per quarter. If interested in helping, contact Dave Vincent.

The American Legion is hosting a Chili Cook-Off & Car Show on August 8. The event begins at 9:00 am. They would like us to come out, taste some award-winning chili and bring our cars. Cars should plan on showing up around 11:00 am.

2015 RallyCross season opener draws plenty of competitors and spectators

By Doug Patterson
Photos by Jessica Dorn

On Saturday, March 21st, on an eight-acre pasture, the quiet of the rural Kansas Spring morning was ruptured by the melodious mechanical maelstrom of twenty RallyCross machines taking to the tight and technical morning course. With twenty timed entries, the 2015 Kansas City Region season opener at Holsworth Acres south of Garnett, KS, tied the 2013 season-finale for the largest field in the young program's history. In addition to many local competitors, the Kansas City Region welcomed guests from the Wichita, Ozark Mountain, and Des Moines Valley Regions.

The weather couldn't have been better if ordered directly by the Chamber of Commerce. Although the morning was brisk, temperatures quickly rose to the upper-sixties under clear skies, making for a perfect day for motor car racing. The event got off to a late start owing to difficulties in starting the timing and scoring computers. The late start cost the competitors some of the runs that the event organizers had hoped to pack into the morning and afternoon, but everyone still was able to make eight runs through two courses.

The rain on the preceding Wednesday and Thursday provided concerns that the surface would be soft and sloppy. Bright, full sun and steady breezes on Friday along with great drainage at the site brought the surface back into form. The safety stewards, Doug Patterson and Mark Hill along with the Midwest Division RallyCross Steward, Jim Rowland, kept a close eye on the courses all day to make sure that no potentially car-flipping ruts developed and made course adjustments as needed.

In addition to the strong competitor turnout, a number of people from the Region as well as some Garnett, KS residents came out to see what the SCCA and our RallyCross program was like. Susan Wettstein from Experience Garnett (<http://www.experiencegarnett.com/>) brought information packets about Garnett, KS including coupons for discounts at many of the local eateries and shops. Several regular KCR members also came out simply to volunteer their services and labor. Tim Steger and Amber Balda came out to help with Timing and Scoring, Rich Bireta and his son came out to help work course, Ken Regan got up at the unholy hour of 0500 to drive the equipment van and timing trailer down from Bonner Springs, and our Regional Executive, Chris Kern, came out to help get things set up, work course, and pack up afterwards. It was great to see all the support for our growing RallyCross program.

While the weather was mild and pleasant, the competition in several classes was hot and fierce, with the PA, PF, and SF classes all being decided by margins less than ten seconds. That might sound like a lot until you realize that in RallyCross, as opposed to Solo racing, all eight runs are integrated into a total elapsed time for the day. All runs count!

In Stock Front-Wheel Drive (SF), site owner Lenard Holsworth in his 1997 Dodge Neon edged out Dustin Etheredge in his 2005 Nissan Sentra SE-R. Dustin was quicker than Lenard on most runs, but a disastrous Run 5 that resulted in a time eight seconds slower than Lenard's plus hitting two cones, each earning a two-second penalty, put Dustin behind Lenard for the remainder of the day. Lenard, after all runs were completed, won the class by 7.124 seconds.

Prepared Front-Wheel Drive (PF) has traditionally belonged to the 2014 class champion, Jim Rowland. Jim in his well-prepared 1993 Nissan Sentra SE-R was routinely one to two seconds faster than either the 2014 Ford Fiesta STs Doug Patterson, Jeremy Salenius, or Greg Cheney. Inconsistency during Heat 2 negated Jim's quicker times. Incurring four cone penalties in the first two runs of Heat 2, resulting in eight seconds of penalty time, was just enough for Doug to edge into the victory by a mere 1.117 seconds.

The fastest drivers of the day were in Prepared All-Wheel Drive where the classic Mitsubishi/Subaru battle seen throughout rally and rallycross was joined once again. Mark Macoubrie in his 2005 Subaru WRX STi went head-to-head with Mark Hill and his 2006 Mitsubishi Lancer Evolution IX. Consistency and cone penalties would once again play a deciding role in the outcome of the battle. Macoubrie was faster than Hill on straight time on a number of runs, but four cone penalties on the day were just too much to overcome. Mark Hill took not only the class win, but also the overall victory with a blistering total time of 426.335 seconds and no penalties.

2015 Kansas City Region SCCA RallyCross Event #1 Results

Yakety Yak...

Dear Mom:

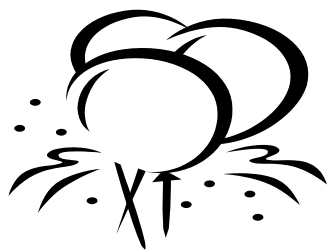

Steve Bachenberg sent Mom an email to keep us up on his busy life. After he and his partner, Joanne purchased a home on 3 acres in the Lawrence, KS area, the moving van finally unloaded at the new house the last of November, 2014. They are nearly finished unpacking, arranging and moving car parts, tools, shelves and stuff. Steve now has all work completed on his Lenexa house and it went on the market February 11th. Joanne is still working at the University of Chicago and she plans to retire in March 2016. So they plan on traveling back-and-forth a lot and will take their time getting the new house in order. Steve just learned that his daughter-in-law Molli has accepted a position at Florida Gulf Coast University in Ft Myers, FL. She will start in August so this spring and summer John, his son and his family will be busy relocating in Florida. Steve says a few trips there will also be on his schedule. Steve hopes 2015 will be a little calmer! He hopes to get back on the race track (but he hasn't solved the puzzle of the car not running properly yet). He says they have a stocked 1/3 acre pond at the new house and he is building a 30x48 shop for toys, projects and storage and would enjoy seeing old friends stopping by.

In mid-February Chuck Davis spent a weekend at Texas World Race Track as a crew person for his son, Matthew. He said Saturday was very warm and in fact, he got sunburned. Sunday was cooler with rain. During the Saturday party he found out that the Southwest Division will have at least two or maybe three tracks off their option list this year. Chuck said Texas World will have its last SCCA event in May. Demolition will begin in mid-June. He also stated that the manager and part owner of Eagles Canyon went through a divorce which created an ownership problem. In addition the track is in need of some major repairs for which there is no money available. And lastly, Chuck added that Motorsport Ranch in Houston has been sold to a Mexican Investment group. The group plan to reconfigure the track and focus their effort on motorcycle racing. Then he emailed Mom the next day to tell her that COTA (Circuit of the Americas) filed for bankruptcy.

While watching TV in mid-February, we saw a news report about a large red-tailed hawk who crashed through a bedroom window in a South Kansas City home. Imagine our surprise to hear the home belonged to KCR member Drew Arnold. Drew said when he peeked into the bedroom the hawk was sitting on its butt with its legs splayed out with a dazed look on its face. While waiting about 45 minutes for help from a Kansas City animal control officer to arrive, Drew said the hawk knocked over a basket of clothes, cleared his dresser top of personal items, scratched up woodwork around the window and ripped up the curtains. According to a Kansas City-based natural history biologist, it is unusual for hawks to break through windows and even more unusual for a bird that size to go completely through such a small window. Drew now has new nicknames, such as "Birdman" and "Hawkman". Now, for the rest of the story...after recuperating at the Lakeside Nature Center in Swope Park, the young female hawk was released at South Oak Park in the Waldo neighborhood about a month after the accident.

don't look back.....

Online event registrations, updates, results and other fun stuff!**

CHECKPOINT IS THE OFFICIAL PUBLICATION OF THE Kansas City Region Sports Car Club of America. Any opinion expressed is that of the authors and is not necessarily the opinion of the members of the Region, its officers or the CHECKPOINT staff. By publishing advertising in CHECKPOINT the Kansas City Region does not endorse the products of service advertised. Permission to reprint all artwork, photographs and articles published in CHECKPOINT is given to all SCCA regional publications and to SCCA's Sports Car Magazine, provided full credit is given to the author, CHECKPOINT and the Kansas City Region SCCA. Deadline for submission to CHECKPOINT is the selected General Meeting date.
