Words from Chris, our RE:

This has been a very long month with the solo nationals and the runoffs and I'm sure there are many stories to be told! As busy as it has been now it is time for even more events and tasks.

Two day RallyCross Oct. 17 & 18 at the Holsworth Acres.

Halloweenie Solo October 25th at MCC.

If you have not been to either of these events please come out as they are some of the best events we put on and are always a lot of fun!

In the coming weeks, our nominating committee will be calling and asking if you might want to run for the region board. Please think long and hard about this as it is a way to help shape the club's future.

The Clubs awards banquet is coming up before long (February 13th)

See you all at the races!

Chris Kern

**Thanks to Mike McGinley

## Dear Mom:

The Williams household has been very busy the last two weeks. Charlie & Norma are having the sunroom on the South side of their home made into a family room. Workers have been here removing the screens, installing a short wall all the way around the room, lowering the ceiling, installing insulation on walls & ceiling and installing 4 new plug ins. Next step is installing sheetrock, new ceiling fan, furnace & AC, new door, nine large windows & screens, painting and new carpet. We are so excited that we will soon be able to enjoy this room all year round.

Update on our Checkpoint Editor, Barbara Garrett – her eye is better after the June 2nd surgery but it has not changed much since then. She says there is still an issue with being able to see out of the right eye. She is now going to see a cornea specialist because a haze has developed on the cornea and it may not be working properly any more. She said she will keep us posted after the specialist visit. We are hoping for a quick recovery, Barbara.

Early September the National SCCA website posted a picture and article of Bill Johnson (the older one) that was published in SportsCar, May 1982. It stated that Bill, a former Board of Governors Director had introduced a new professional competition series aimed at autocrossers: ProSolo. Over time SCCA has taken over the operations and rules have changed but the premise remains. ProSolo is a combination of two parts autocross and one part drag racing. This makes it exciting and entertaining for both competitors and spectators. The 2015 ProSolo Finale took place the weekend of Sept 5-6 at Lincoln Airpark in Lincoln, NE. The Tire Rack Solo National Championships were in Lincoln the following week.

Brittney Williams has a new job. She is a server, hostess and bartender at the new Q39 restaurant at 1000 West 39th Street in Westport. The Q39 is home of the Munchin' Hogs, two time KCBS grand champion and three-time American Royal award winning barbeque team. Pitmaster and owner is Rob Magee. The food in the restaurant is prepared exactly like Magee does during competition. Brittney is the daughter of Brian & Jennifer Williams and the granddaughter of Charlie & Norma Williams.

Osiris Bear Williams was born on September 10, 2015 at the Overland Park Regional Hospital. He weighed 8 lb 12 oz and was 20 in long. His parents are Max Williams & Mary Jennings, his grandparents are Keith & Cheryl Williams, his uncles are Charlie & Henry, his aunt is Isabella and his great-grandparents are Charlie & Norma Williams. Baby Bear is darling and yes, great-grandparents have both held him.

Keith Moody, KCR race driver, will become the city administrator in Roeland Park, KS. He has been the city administrator in Harrisonville, MO for the past 7 years. He said the move will put him and his family closer to extended family members and also allow his wife a much shorter commute.

Our condolence to the Bob Henson family on the death of his mother, Marion "June" Henson. June passed away on August 20, 2015 at the age of 89. She married her childhood sweetheart, Robert Carl Henson and they were the parents to five children and 6 grandchildren.

Our condolence to Kaye Richard Kibling's family. Dick passed away on August 29, 2015 at the age of 78. He lived in Belton, MO and was a former KCR member and race driver, driving a Lotus Super 7.

don't look back

## Nationals by Jessica Dorn

Solo Nationals is a great way to “vacation” while racing with friends. It provides the usual “day racers” a more personal, laid-back environment as we gather under the tent to discuss the day’s races, crack a cold one, and talk about something more than racing. The atmosphere forges new friendships and strengthens old ones. It reminds me of weekend races at HPT and the fun times had when we not only get to race together but also get to unwind together – whether we are entertained with water rockets, giant Jenga, or countless other games, we fill the night with laughter and make great racing memories.

The rain did put a damper on our down-time in Lincoln, NE this year as it rained almost every night. It’s hard to rally the group to walk around the site and check out Four Square or the Big Wheel ProSolo when it’s either down-pouring or drizzling every night. We typically tried to head out for dinner before the rain rolled in. By the time we returned, the rain had washed out the crowd and the site was pretty quiet. Regardless of the rain, it was still a memorable event. Bill and Janet Bauman raced in their first Solo Nationals and camped on site in their RV for the week. They embodied that group atmosphere by being the first to say they were firing up the grill if anyone wanted to throw something on, making sure to watch their fellow racers, and offering up their thoughts on the courses to help others.

The 2015 Solo Nationals had a record-setting attendance with 1,226 competitors. We had 35 competitors representing the Kansas City Region and brought home 7 competition trophies. The ProSolo Finale ran first on Saturday and Sunday. Mark Hill won the 1<sup>st</sup> place trophy leading STU by 0.143 seconds. He was the only one of the 3 competitors to make the Super Challenge. Jeremy Salenius brought home the 2<sup>nd</sup> place trophy in STF, and Craig Hill earned the 5<sup>th</sup> place trophy in the competitive STX class where only 0.549 seconds separated the top 5 racers.

The competition carried on to the Solo Nationals Tuesday – Friday. The three trophy winners from the ProSolo would go on to win trophies in Nationals too. Mark Hill continued to prove that the Evo is still a competitive car in STU by claiming the 5<sup>th</sup> place trophy. Jeremy battled back and forth in STF and won the 7<sup>th</sup> place trophy with a mere 0.023 seconds separating him from 6<sup>th</sup> place. Craig Hill brought home the 12<sup>th</sup> place trophy in STX, which was another tight race with only 3 seconds separating the 16 trophy spots. Jessica Dorn brought home her first trophy from Solo Nationals, earning the 2<sup>nd</sup> place trophy in STFL by 0.940 seconds.

We also had a couple racers finish just out of the trophies. Greg Cheney finished 10<sup>th</sup> just 0.227 seconds out of the trophies for HS. Bob Qualkinbush finished 8<sup>th</sup> in CM less than 0.5 seconds out of trophies. Dick Berger was also announced as the namesake for the "Perseverance Award" which was nick named the "Dick Berger Butt to the Grindstone Award" for his dedication to the sport and Solo Nationals, as he is one of the few 100% ers. A full of list of KCR results are listed below:

### **2015 ProSolo Finale**

Street Touring Ultra

**Mark Hill – 1<sup>st</sup> place TROPHY – 2006 Mitsubishi EVO**

Street Touring FWD

**Jeremy Salenius – 2<sup>nd</sup> place TROPHY – 2008 MINI Cooper**

# HALLOWEENIE • October 25, 2015 • MCC

We are excited to announce that the Halloweenie charity will be GoBabyGo! KC, a local organization from Rockhurst University - Kansas City, MO that donates and builds modified toy ride-on cars to provide mobility & sociability for children with special needs.

- Modify electric toy cars for children who are physically and/or developmentally disabled
  - Electric toy cars (approx. \$100)
  - Rewire them with a large, easy to push acceleration button (approx. \$60)
  - Refit them with PVC pipe and swim noodles for added seat support
    - Offers affordable alternative to motorized wheelchairs (\$15,000+)
    - Volunteer team of Engineering & Physical Therapy students from Rockhurst University

## NEW WHEELS HELP KIDS LEAVE MOBILITY ISSUES IN THE DUST

### How do the modified cars help children with special needs?

Research shows that when disabled children gain the ability to move about and travel on their own, they benefit in multiple ways. Not only are they able to move around independently, but their spirit and mood improves, their language skills progress, and their overall brain development improves. Cole Galloway with GoBabyGo! states, "It is really about how mobility impacts children's lives. Seeing more, hearing more and exploring more expand kids' minds. Parents and adults talk more, even if it is just to warn children to be careful and not move so fast. There is an explosion of cognition."

### Would you like to help modify a car for GoBabyGo! KC?

They are hosting a BIG community build day on November 7 from 7:30 am—2 pm at Extreme Grand Prix in Raytown. If you would like to participate in the build, please go to the link listed below and complete the form. You will sign in at 7:30 am, learn what GoBabyGo! KC is all about, and build all morning. At 11:30 am, children will start arriving to test drive their new rides. Participation in this build day/workshop are free, but spaces are limited. Sign-ups will close on October 20 or when all spots are filled.

Register for the build day at <http://goo.gl/forms/UtHT7S6Zbj>

## Attendance at July, August and September General Meetings.

All these people will be entered into the drawing for a free membership at the end of the year!

## OCTOBER ANNIVERSARIES

12	Scott & Chris Peterson – 13 years
----	-----------------------------------

**Hello Chris,**

**After recently returning from the SCCA Runoffs at Daytona, I opened a card I received at the event.**

**I was surprised to receive a thank you from the Kansas City Region along with some cash. I greatly appreciate receiving this. I know our volunteer workers are grateful for the support they receive. Thank you!**

**Regards,**

**Dave Kettler,  
Chief Scrutineer  
2015 SCCA National Championship Runoffs at  
Daytona International Speedway**

**Dear Prospective SCCA member:**

To apply for membership in the **Sports Car Club of America**, the world's largest member participation automotive organization, please print and complete the form in full and return, with payment, to:

**Paula S. Diehl, 3420 SW Pryor Rd, Lees Summit, MO 64082**

If you have questions, please call 816.225.5100

PLEASE PRINT OR TYPE
