Words from Brad, our RE:

I own at least four 9/16th wrenches. Some ratchet, some are short, some are just regular combo. I also have six 9/16th sockets. I have ten of the same size tools to tighten one size of fastener. I also know I'm not the only one who carries and has multiple tools of the same size.

Our region is like that. We have lots of people who all contribute but all do it in a slightly different way. Just because you see someone else driving a slightly different line, using email instead of phone calls, or handling a conflict in a way you wouldn't dream of doing doesn't make it wrong. Only the end result matters. The fastest time wins, communication happened, differences were settled.

As we get ready for 2016 and our new year of racing remember, we're all in this club together. We're all slightly different tools in the same tool box. Good luck getting your schedules ready and vehicles sorted and if you see me wandering around paddock looking down - come help me find my 9/16th wrench.

Brad Smith, Regional Executive

2016 Solo/Autocross Schedule

Members Pass the Bylaws Proposal by Jessica Dorn

The bylaws proposal presented at the December 2015 General Meeting was voted on with the members knowing that future amendments would be made. At the January 2016 General Meeting, the members voted to approve the bylaws! As noted at the December General Meeting, we can save the club a lot of money since future amendments will be a simple document and not a 12-page document (that cost nearly \$700 to send to the entire membership).

Thank you again to the Bylaws Committee - James Cahill, Jessica Dorn, Al Hermans, Adam Miller, Ken Ragan and Jeremy Salenius. And thank you to the members who shared concerns, voiced solutions and ultimately led to the finished document.

Watch your mail as another notice of amendments (much smaller) will be coming soon.
