## Application Process:

- A. Applicants must hold a valid full privilege Driver's License in their state of residence and be a current SCCA member.
- B. Applicants 18 years and older may apply to National Office, Member Services or their Divisional Licensing Chairman for a Club Racing Novice Permit.
- C. **Minors:** The age of majority for licensing purposes is determined by the state law but is typically 18 years of age. Certain States may impose higher age limits and all license applicants must be of the age of majority of the state they are residing in. Please submit a completed Minor Release and Waiver of Liability and Indemnity Agreement, and Minor's Assumption of Risk Acknowledgement (MS-L form), which must be printed in color with original signatures. Minors may participate in Time Trial events but are required to have a properly executed MS-L form before doing so. For PDX and CLUB TRIAL events ONLY - the minor may turn in the completed MS-L form to the registrar at a SCCA sanctioned PDX or Club Trial event. The region will forward the form to the SCCA National Office and update the member's membership record. For TRACK TRIAL and HILLCLIMB events, a minor must submit the completed MS-L form and application for a Novice Time Trial Permit or Time Trial License directly to the SCCA National Office. No one under the age of sixteen (16) years of age may be issued a novice permit or competition license. Minors MUST apply to the SCCA National Office for a Novice Permit.
- D. Submit the following to **SCCA Member Services:**
  1. **Novice Time Trial AND Time Trial License**

Current SCCA medical form with only the medical history portion completed and signed by the applicant. If the applicant has a history of medical problems or has an obvious physical problem, the applicant is required to have a physician perform the medical examination on the reverse side of the medical form.  
*(Every blank on the Medical History MUST be completed)*
  2. Applicable license fee.
  3. Minors include the MS-L form.

## UPGRADE

Holders of either novice license who have participated satisfactory in three Time Trial events may apply to their Divisional Time Trial Steward for an upgrade to a Time Trial License. If upgrade is made within 90 days of original license, an additional license fee is not required.

## APPLICATION AT EVENTS

Novice licenses may be applied for and issued at registration, except for those under 18 years of age who can only have licenses issued by the SCCA National Office. The Divisional Time Trial Steward or Event Chairman will then forward the application and fee to SCCA Member Services for processing.

\*Please note all SCCA licenses will expire with membership
