Club Picnic Recap

Despite a chilly, rainy start to the day, the Club Picnic combined with the KCR Autocross Halloweenie had almost 100 members come out to watch some racing and enjoy food with friends. Chris Kern manned the grill and had hot dogs and hamburgers ready for the picnic. He grilled so many dogs, that we ran out of gas! After a slight delay, he was back at the grill and the picnic table was full once more.

Members brought sides to accompany the grilled goodies. Some absolutely delicious dishes were on the table. From homemade brownies, pasta salads, a to-die-for cheesy dip, and Mark Hill's infamous corn bread. Thanks to all that came out!

Reminder: Unnaturally Aspirated Charity Event Saturday, November 6th

Proceeds from the UA Event go to Breathe Easy International. BEI exists to provide resources and information for chronic respiratory illness patients and their care providers, as well as, counseling with and developing programs for high trauma medical staff like EMS, Emergency department staff, ICU and anyone else on the frontline of healthcare.

2021 KCR SCCA Solo Schedule

The Solo Advisory Council has secured use of the MCC Precision Driving Center for solo events. They are planning a total of 10 events plus a test and tune. The dates are not locked in with a contract yet, but they are 99% sure that the following dates are good.

Test & Tune — May 22

Event #1 — May 23

Event #2 — June 19

Event #3 & #4 — July 31 & August 1

Event #5 & #6 — August 21 & 22

Event #7 & #8 — September 18 & 19

Event #9 & #10 — October 23 & 24 (Halloweenie)

As usual, we will need event chairs, chiefs, and other additional help to pull this off so anyone who wants to volunteer time and effort will be appreciated. Until directed otherwise by the national office and the Independence Health Department, we will be observing appropriate Covid guidelines which includes masks, distancing, and hand sanitizing. Those who repeatedly refuse to comply will be asked to leave the site. This is the only site we have at this time, and if we lose it because of bad behavior, those responsible will be in the doghouse for a long time. Part of the restrictions for us is limited personnel beyond drivers. Those who usually come with large entourages may need to curtail that until we are allowed larger groups. Also, until the national office allows it, walk up registrations will not be accepted. All registrations will need to be online for the time being. As more information becomes available, we will share it via Facebook, the region website, and e-mail blasts. Registration should open soon for the first weekend, stay tuned for more information. If there are any questions, the SAC can be reached at solo@kcrscca.org.

Kansas City Region SCCA

Driven by Volunteers since 1952

Kansas City Region SCCA is proud to be a volunteer-run organization. We already know you are talented in at least one of these categories:

- racing cars
- working corners at race tracks
- breaking cars (on and off the track)
- fixing the same car over and over again
- cheering on racers
- enjoying a cold beverage with other people who like cars

But what are your other talents? We are currently looking for assistance in the following areas:

Content Creator for website and social media

You will not need to know anything about websites. You will simply need to prepare content for the website and check to see if any updates need to be made to our calendar. You will be the Region's point of contact in case issues are found with links on the website. You do not need to know how fix it, simply be the person who contacts our website maintenance provider. You will also need to know how to post and create events on Facebook. Contact Mike McGinley if you have additional questions or would like to help!

Pavement Photographers

We need your assistance to get current photos and videos of Solo and Road Race events for our website and social media accounts. Contact Reuben Samuels if you have additional questions or would like to help!
