Road Racing Worker Benefits for All Specialties

by Bill Johnson

At our most recent membership meeting we had a good discussion on workers for our Road Racing program at Heartland Motorsports Park and the Ozarks International Raceway and what we could do to get a few more people involved, mostly for working corners.

Working corners is a great experience with some wonderful people. It's the closest you can get to the action without actually being in a car and you can see up close some really stellar driving and of course, sometimes some not so stellar driving.

We have incentives for our workers but it was pointed out by Jeremy Salenius that few people knew what those incentives were and there wasn't any list anywhere with everything we offer. Following is a list of what we offer to work a day or weekend at a road race. As you can see, it's fairly significant.

From KVRG for Heartland Park and / or Ozarks Majors Weekends

- \$50.00 per day for working any specialty – \$50.00 value per day
- One free Kansas City solo entry for working the weekend – \$55.00 value
- For non-members, we will provide a temporary membership – \$15.00 value

From Midwest Division for any Road Race Weekend

- Vroom Points Program – Each Midwest Division (MiDiv) Volunteer gets 1 credit for each day worked at a MiDiv Division Road Race. Each volunteer working a MiDiv Road Racing event is automatically signed up for credits. – \$10.00 per weekend

From National for any Road Race Program

- 4-5 days worked - \$15 Membership Discount
- 6-7 days worked - \$22 Membership Discount
- 8-11 days worked - \$30 Membership Discount
- 12 or more days worked - \$45 Membership Discount plus:
Commemorative ID Card and recognition in SportsCar Magazine

But Wait...
**THERE'S
MORE!**

Total value for working 2 days either weekend – \$165.00

- \$100.00 pay
- \$55.00 free solo entry
- Vroom fund – \$10.00

Total value for working 3 days either weekend – \$215.00

- \$150.00 pay
- \$55.00 free solo entry
- Vroom fund – \$10.00

Work both Heartland Park and the Ozarks, double your money and get another \$15.00 to \$22.00 off your membership dues next year.

We also provide lunch each day, Saturday dinner, and party with friends – Priceless!

Work Track Night in America Friday evening after the test day at Heartland, or any TNiA and get 1 free Solo entry or a \$45.00 membership credit or work 2 events and get a free TNiA entry.

People working the Heartland test day and the TNiA that evening can double dip and get \$50.00 **PLUS** the TNiA benefits.

I would like to thank Al Hermans and the Solo Advisory Committee for their input and the offer of a free Solo for working a Road Racing weekend at Heartland and the Ozarks.

Come on out and enjoy the experience, make a little money, have some fun with friends, get a free lunch and dinner with a beverage, and still be home in the evening from Heartland. Guaranteed fun.

Hope to see you there!

WORKERS NEEDED

We need workers for all of our events in 2022. Please plan early to join us at our Road Race and Time Trials events at Heartland Motorsports Park (May 21-22) and Ozarks International Raceway (June 4-5).

Autocross Report

by Al Hermans

The Autocross program hosted their Solo School and Event #2 April 30 and May 1, respectively. The Solo School had 40 people register and Event #2 had 119 people, including 20 novice racers! The event was run very efficiently; everyone got 5 runs, and they were out by 3:00pm. Check out the top results below or follow the links to full results:

Road Racing Report

by Chris Kern

Track Night in America had 80 cars total on April 28 which is about average. It was a very smooth event considering they were short on workers and were battling the wind. The TNiA could use a little more support—not only workers but also PR people to let people know about upcoming KCR or KVRG events and promote the Club. Cost for TNiA is \$160 per car so it is a cheap event. You can also run 1 session, work the others and only pay \$15 with the Hagerty discount. The next TNiA is May 20th. Jeremy Salenius added it was a really good time and thanked the workers that came to help.

Hallett hosted a divisional event last weekend. It was a good weekend and a fun track. It was super windy over the three days—red dirt was blowing everywhere and several people brought some back to Kansas...in their cars, in their clothes.

Upcoming events are Heartland Motorsports Park May 20-22, which has 49 Majors entries and 13 Time Trials entries so far. They are doing the big Runoffs course and need 16 more workers. Check out the Road Racing worker benefits on page 2.

Pop Tops for Kids

So far Paula has collected enough pop tops from KCRSCCA members to donate **180 hours of treatment** for children! Thanks to Big Dick Berger for donating almost 30 pounds of pop tabs last month.

Save your aluminum pop tops from beverage cans and from cans of soup, vegetables, cat food, etc and bring them to the KCR General Membership Meetings. Paula Diehl will be collecting them so we can donate them to the Ronald McDonald House. For every pop top donated, they will provide TEN MINUTES of chemotherapy to a child.
