## 2022 Awards Banquet Photos

Many people say a picture is worth a thousand words, and if that picture captures emotions like victorious pride or humble surprise like our very own Doug Patterson is so talented at doing...it is worth even more words. So I will keep my write up brief and let you enjoy these splendid shots!

## *Rallycross Report*

by Niles Davis

The weather finally played nice, and we had a solid first event June 26th at Grain Valley. The event made \$817. We did have a few timing issues due to the windy conditions blowing dust through the timing laser eyes. We have been working on a pressure hose system for timing and hope to have that rolled out soon. Thanks for Marc Macoubrie and Reuben Samuels for your work on this.

They have an event coming up this weekend, July 10th at I35 Speedway. They will be back at Grain Valley August 28th.

The September 24th event has been changed to a Test and Tune on September 11th due to a scheduling conflict with a National event. Check out the updated schedule on the next page.

Events #3 and #4 took place June 18th and 19th and had 71 and 75 entries respectively.

We have NEW CONES!!! Bright and shiny and just waiting to have your tire marks added...just kidding...remember you are faster when you don't hit the cones!

The program has confirmed the Starting Line School will take place at MCC on July 16th. You can register on the SCCA website.

The Tire Rack Street Survival has also been confirmed to take place at MCC August 20th. We need volunteers—registration, driving instructors, and course workers to help this event run smoothly. If interested in helping, let Al Hermans know.

# Pop Tops for Kids

Paula Diehl noted that we are up to 26,000 aluminum tabs donated for this awesome cause. That is over 433 hours of chemotherapy treatment so far! Paula is hoping to hit 50,000 aluminum tabs by the end of the year. Keep saving your tabs and sending them to Paula.

Save your aluminum pop tops from beverage cans and from cans of soup, vegetables, cat food, etc and bring them to the KCR General Membership Meetings. Paula Diehl will be collecting them so we can donate them to the Ronald McDonald House. For every pop top donated, they will provide TEN MINUTES of chemotherapy to a child.

## New Webmaster

Paula Diehl has graciously accepted to take on the role of webmaster and aide in sending web updates to our website designer and manager. If you would like to assist, let her know. Further, if you notice any links that aren't working or confusing tabs/set up, let her know so we can get those fixed.

Thank you, Paula, for taking on this venture.  
And thank you, Mike McGinley, for all of your  
assistance in the past.

**We will start at Stockyards Brewing Co and meet with Club members and race car enthusiasts alike. We will drive a route from one brewery to the next with a scavenger hunt between stops where you will find and take a picture of certain landmarks or objects based on clues given. For each correctly answered clue, you will have one entry (per car) into the prize giveaway at the end. You do not need to be a member—just come hang out, talk about cars and motorsports, and have a good time! We encourage everyone to carpool and have a designated driver. Entry fee is \$10 per car. Contact Jeremy Salenius (Jeremy.salenius@gmail.com) with any questions.**
