Autocross Report

by Al Hermans

The Autocross program has confirmed the Starting Line School will take place at MCC on July 16th. You can register on the SCCA website.

The Tire Rack Street Survival has also been confirmed to take place at MCC August 20th. The Tire Rack Street Survival “is a safe teen driving program, designed to go beyond today’s required drivers education and make them safer, smarter drivers using hands-on experience in real-world situations to teach about handling limits and how to control them” according to the SCCA website. We need volunteers—registration, classroom instructors, driving instructors, and course workers to help this event run smoothly. If interested in helping, let Al Hermans know.

Pop Tops for Kids

Paula noted that we are getting pop tops from far and wide for this awesome cause. Texas SCCA Regions have started mailing them to Paula. Jessica Dorn also brought back a Ziploc from a recent trip to Road America in Wisconsin. Keep the pop tabs coming!

Save your aluminum pop tops from beverage cans and from cans of soup, vegetables, cat food, etc and bring them to the KCR General Membership Meetings. Paula Diehl will be collecting them so we can donate them to the Ronald McDonald House. For every pop top donated, they will provide TEN MINUTES of chemotherapy to a child.
